

New Police Station Nearing Completion

The brand new Evans Police Station located directly south of the Evans Community Complex at 3737 Saint Vrain St. is in the final stages of construction. FCI Constructors, the contractor for the project, is doing their final walk throughs with city leadership this week. Evans officers and staff will move into the new station on Aug. 10.

City Council to consider corridor locations for AVIS (speed camera) deployment

Later this month, (tentatively scheduled for Aug. 18) the Evans City Council will consider designating several roadway corridors where the Automated Vehicle Identification System (AVIS) may be used to support traffic safety enforcement.

The proposed corridors were recommended following a

Police Department traffic safety assessment that reviewed five years of corridor-specific data, including crash history, speeding trends, traffic volume, roadway characteristics, reckless-driving incidents, community concerns, and pedestrian activity.

The proposed corridors include:

- 11th Avenue: Highway 34 to 37th Street
- 35th Avenue: North Municipal Boundary to 49th Street
- 37th Street: 65th Avenue to Highway 85
- 42nd Street / Prairie View Drive: 35th Avenue to Highway 85

If approved, the designation would establish where AVIS may be deployed but would not require continuous or corridor-wide enforcement. The proposed program includes one fixed camera on 37th Street near Stampede Drive and one mobile unit that may be rotated among designated corridors based on documented traffic safety needs.

Any use of AVIS would remain subject to the City's ordinance and all applicable Colorado laws, including signage, public notification, warning periods, data-use requirements, and annual reporting.

Heritage Day set for Saturday, September 19th – join us to celebrate Evans!

The City of Evans is excited to host the community's most cherished event! **Heritage Day** will begin at City Park on Saturday morning with the parade and pancake breakfast, followed by amusements, food trucks, and local vendors throughout the park.

Beginning at 8:30am, a 5K fun run/walk to raise funds for Canine Community Heroes, a nonprofit that helps train and support service and therapy dogs in Northern Colorado.

The evening portion of the event will consist of the beer and spirits garden, food trucks, amusements, and live music at Riverside Park. The night will end with the crowd favorite fireworks extravaganza!

The Evans Police Department is proud to announce Officer Brady Higareda will take over as the School Resource Officer and Master Officer Deidra Ramirez, formally the School Resource Officer, will transition to the role of Community Resource Officer, beginning this month. Please join us in welcoming Officers Higareda and Ramirez to these new roles where they will continue to support the Evans Community!

Master Officer Deidra Ramirez Community Resource Officer

Officer Deidra Ramirez is transitioning from her role as a School Resource Officer into the position of Community Resource Officer. During her time as an SRO, she served six schools, fostering strong partnerships with students, educators, and families while emphasizing safety, prevention, and community engagement.

As the Community Resource Officer, she is excited to expand those relationships throughout the City of Evans by strengthening connections with residents, businesses, and community organizations, while continuing to build trust and promote public safety through outreach, education, and collaboration.

Officer Brady Higareda School Resource Officer

Officer Brady Higareda is excited to begin a new chapter of service as a School Resource Officer, where he looks forward to building positive relationships with students, staff, and the community. Before joining the Evans Police Department, he proudly served as a Sergeant in the United States Army, developing strong

leadership skills and a passion for serving others. In 2021, he continued that commitment by beginning his career in law enforcement, bringing his experience, professionalism, and dedication to protecting and supporting the community.

The Evans Police Department would like to extend our sincere gratitude to Waste Management for their incredible generosity and continued commitment to supporting our community. Their generous \$4,000 donation toward school supplies will directly benefit students across all six Evans schools, helping ensure our students have the tools they need to start the school year prepared and confident.

Because of partnerships like this, our officers are able to work directly with our schools to identify the greatest needs and provide meaningful support where it matters most. This donation will help provide essential supplies to students and families who may need an extra helping hand as they begin a new school year. Waste Management's continued investment in our students demonstrates the power of community partnerships and the positive impact we can make when we work together. We are incredibly thankful for their ongoing support and dedication to making Evans a stronger, more connected community.

Thank you, Waste Management, for helping our students succeed and for being such a valued partner!

Explore Evans Parks This Summer

With the summer here, it's the perfect time to get outside and enjoy everything the City of Evans parks system has to offer. With a wide variety of parks located throughout the community, Evans provides residents and visitors with convenient access to quality outdoor spaces designed for recreation, relaxation, and connection.

From small neighborhood parks to larger community destinations, each park offers its own unique character and amenities. Whether you're looking for a place to stay active, gather with friends and family, or simply enjoy some fresh air, Evans parks provide welcoming, well-maintained spaces for all ages and interests.

Amenities and activities for all ages and all abilities!

From neighborhood parks to larger community spaces, Evans parks feature:

- Basketball and tennis courts
- Ballfields and multi-use athletic fields
- Sand volleyball courts and horseshoe pits
- Playgrounds and nature-inspired play areas
- Walking paths, open green space, and scenic spots
- A pump track at DaVinci Park
- Off-leash fun at Freedom Dog Park
- Disc golf and more

Ballfield Complex at Riverside Park

Beyond these amenities, the parks system also supports everyday quality of life in Evans. Parks provide safe spaces for children to play, opportunities for residents to stay physically active, and places where neighbors can gather and build community. Many parks include shaded areas, picnic spaces, and open lawns that are ideal for everything from casual afternoons outdoors to small group gatherings.

Disc Golf at Pioneer Park

The City continues to invest in maintaining and enhancing these spaces to ensure they remain clean, accessible, and enjoyable for everyone. As Evans grows, the parks system remains a key part of the community's commitment to livability and overall well-being.

Spring and summer are ideal times to explore everything the parks system has to offer. Residents are encouraged to visit a new park, try out different amenities, and make the most of the longer days and warmer temps. Scan the QR code to view the full list of parks and amenities.

Do you part to keep Evans looking its best!

Helpful brochures are available on the city website that help explain common code violations

Code enforcement officers investigate code violations on private property related to:

- Inoperable Vehicles
- Trash, Junk, and Outside Storage
- Tall and Noxious Weeds
- Hazardous Trees
- Brush
- Dirt Piles and Debris
- Snow on Sidewalks
- Maintenance of Fences
- Graffiti Removal

Do you know a yard that stands out in Evans? Each month, Neighborhood Services recognizes a residential property that demonstrates outstanding yard care and community pride with the Yard of the Month award. The winning homeowners receive a \$100 gift card and will be recognized by Mayor Clark. Help us celebrate the neighbors who make Evans beautiful! To nominate a yard just take a photo of the property and email the photo and address to: neighborhoodservices@evanscolorado.gov
Nominate your neighbors or any yard around the city you feel deserves recognition!

The City of Evans has launched a new interactive GIS StoryMap that makes it easier than ever to understand common nuisance code violations, and how to correct them. From weeds and trash to inoperable vehicles and outdoor storage, this tool provides clear, real-world examples of what's allowed and what needs attention.

Whether you're a homeowner, renter, or landlord, this resource is designed to help you stay in compliance and take pride in your property. Scan the QR code to the right to view the story map for.

SAFETY TIPS

As Evans students gear up for another exciting school year, the Evans Police Department is proud to support our schools by helping keep kids safe on their journey to and from class. Whether you're a parent, a commuter, or just passing through town, your attention behind the wheel makes a difference.

Here are a few essential reminders as school gets back in session:

- ◆ **Slow Down in School Zones**

Always obey posted speed limits. Children can be unpredictable, especially near schools and crosswalks.

- ◆ **Watch for School Buses**

Red flashing lights mean stop—no matter which direction you're headed. Stay alert during pick-up and drop-off times.

- ◆ **Put the Phone Down**

Avoid texting or other distractions while driving, especially near schools, bus stops, and neighborhoods.

- ◆ **Look for Pedestrians**

Yield to students and families using crosswalks. Take extra care when turning or backing out near school areas.

Together, we can ensure a safe and successful start to the school year for every student in our community. Your vigilance saves lives—thank you for driving smart and staying alert!

Let's make this school year safe, strong, and full of promise—welcome back, Evans students!

 **Friendly Disclaimer:** While we love smiling kids and waving parents, we'll also be smiling while running radar in school zones. Please help us avoid awkward conversations and tickets—slow down and drive safe!

NEIGHBORHOOD WATCH

Neighborhood Watch is a program where community members, in cooperation with the Evans Police Department, participate in the detection and deterrence of crime in their neighborhoods.

The Neighborhood Watch Program facilitates communication between you and your neighbors. Additionally, it develops a partnership between our city police force and the citizens to help enhance the safety and security of our neighborhoods.

As citizens of the Evans community, we share the common goal of enhancing the quality of life within all of our neighborhoods.

Keeping you and your family safe is a top priority of the Evans Police Department. Achieving this goal is a shared effort, and your awareness, involvement, and cooperation play a critical role in helping keep our neighborhoods safe.

Please note, sprinkler cycle and soak can help increase efficiency and reduce runoff. Run 2-3 cycles 45-60 minutes apart with the total run time for the day equal the duration recommended in the table above.

*Please note that these are recommended run times for our region, if your lawn is suffering at these recommended run times please adjust time and cycles accordingly. Alternatively, if you water less than this and your lawn is healthy, do not water more than needed.

The City of Evans has Outdoor Watering Policies effective between April 15 and October 15.

Outdoor watering is allowed on scheduled days except between the hours of 10:00 a.m. and 6:00 p.m.

- Single-family homes with even-numbered addresses shall only use outdoor irrigation on Sunday, Tuesday, and Thursday of each week.
- Single-family homes with odd-numbered addresses shall only use outdoor irrigation on Monday, Wednesday, and Saturday of each week.
- All other properties including commercial, multi-family residences, apartments, government, and nonprofit organizations shall only use outdoor irrigation on Sunday, Tuesday and Friday of each week.

WM June Recycling Benefits City of Evans

In June, we recycled 19 tons of bottles, cans, paper and cardboard.

This month's recycling efforts saved the following resources:

231 Mature Trees

Enough avoided timber resource use to produce 3,928,500 sheets of printing and copy paper!

43 Cubic Yards of Landfill Airspace

Enough avoided airspace to fulfill the annual municipal waste disposal needs for 54 people!

36,761 Kw-Hrs of Electricity

Enough avoided power use to fulfill the annual electricity needs of 3 homes!

Avoided 41 Metric Tons (MTCO2E) of GHG Emissions

This GHG reduction is equivalent to removing annual emissions from 8 passenger vehicles!

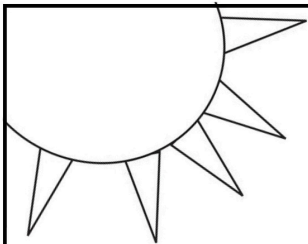

78,899 Gallons of Water

Enough avoided water use to meet the daily fresh water needs of 1,051 people!

Outdoor Street Lighting

How to report a Street Light Outage

What you will need to report a street light outage

The Pole number where the light is located—the pole number will be on the street side of the pole and will either have two numbers over two, or three over three.

For Example

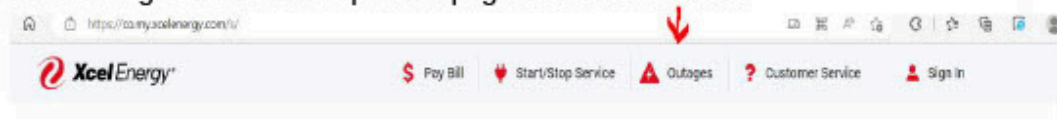

Xcel Energy relies on the information you provide so please be as specific as possible. If the pole does not have a number, then please provide the address behind the pole, or a description of where the pole is located.

For example: The light is located on the Southwest corner of E. 16th Ave and Pennsylvania.

Where to report a Street light Outage?

Go to <https://co.my.xcelenergy.com/s/>

FIRST: Select the Outages icon at the top of the page as indicated below

NEXT: Scroll to the bottom of the page and look for **Outdoor lighting Outages** and click on **REPORT AN OUTDOOR OUTAGE** as seen below

Next: Click on **Report it now** →

Finally: Enter your information.

1. Your name
2. Your email address: This is used to inform you when the light is repaired.
3. Contact phone number: This will be used to contact you should we have any questions regarding your repair request.

Pole information: ****If an outdoor lighting pole is broken, please call Xcel Energy Customer Care at 1-800-895-4999.

1. Select the problem with the light
2. Pole number: This is where you would enter the two over two or three over three numbers on the pole.
3. Light location: This is the Address where the light is located. Please provide as much specific information as you can.
4. Comments: Provide any additional information that you believe would be helpful

Lastly: You may Add more outages if there are more than one or hit the submit button.

Once you submit the request you will be provided a confirmation number. Keep this number to refer back to if needed.

*****Please note:** Repairs are made in 5 business days unless there is more than routine maintenance is required.
