Inoperable Vehicles and Parking

EMC 8.24.100

Community guide for compliance and reporting

Inoperable Vehicle Violations and For Sale Vehicles

- Inoperable vehicles include any vehicle that is **junked, wrecked, wholly or partially dismantled, discarded, missing parts or equipment necessary to operate the vehicle or trailer safely and legally on a public right-of-way**
- Inoperable vehicles also include any vehicle with **flat tires or any part of said vehicle being supported by jacks, blocks or other supports, or any vehicle or trailer lacking properly displayed current license plates.**
- Inoperable vehicles must be stored within a garage or other building, and should not exceed one in number.

- One inoperable vehicle being renovated or stored for the purpose of being renovated may be kept on a property, provided that the vehicle is stored behind a fence that is six feet in height. The fence must be made of standard privacy fencing material and obscure the view of any inoperable vehicle or parts from adjacent public right-of-way or private properties.

For Sale Vehicles

- Only two vehicles are allowed for sale or barter per property at any given time.
- For sale vehicles are not allowed in the roadway or public right-of-way of a street, alley, or intersection within the City limits.
- Vehicles for sale on public property may be towed by the city at the owner's expense.

Penalties for Violation

The City of Evans seeks to attain voluntary compliance with the municipal code through the administration of a Notice of Violation. When voluntary compliance is not attained, penalties are assessed as follows:

First Violation - \$150

Second Violation - \$500

Third Violation - \$999

Subsequent Violations - \$999
