

Tree Assistance Program

The City may reimburse up to **\$275** for the approved purchase of a tree. Completed applications will be accepted on a first-come, first-served basis beginning April 1, 2024, through June 15, 2024, or until annually budgeted program funds are exhausted. Trees purchased before the approval date will not be eligible for reimbursement. Applications are only valid for the year that they were approved. Residence who are replacing a tree on their property will have priority. Rebate is limited to one per year, per household.

Eligibility Guidelines for Assistance:

- Must complete the application and submit the approved application with the reimbursement request form.
- Qualifying trees must be planted at the City of Evans address listed on your application.
- The rebate is applicable only towards the cost of the tree and may not cover any other cost associated with the tree purchase.
- Must be a current City of Evans resident and have no outstanding fees, fines or violations with the City.
- Resident will call 811 Notification Center of Colorado for locates prior to digging.
- Resident will plant tree in accordance with the Evan Municipal Code and meet all tree spacing requirements. Please consider the dimensions at tree mature height.
- Resident accepts all responsibility for the planting, maintenance and care for the tree.
