### UTILITY SERVICES

The City of Evans provides water (potable and non-potable), wastewater, refuse collection and storm drainage services to city residents. The city also provides these services to customers in limited out-of-city areas.

New homeowners usually have utility accounts set up through the title company closing process. The city does not require a deposit. For new homeowners, responsibility for services begins on the date of ownership. Amounts will be pro-rated for partial months.

Tenants or property management companies may be added to accounts as a secondary after an account is established in the property owner's name.

### POTABLE WATER RATES

Customers are billed for their water usage on a monthly basis. Water charges reflected on monthly utility bills are a combination of a base service availability charge and a metered usage charge.

Residential water consumption tiered rates are as follows:

- 1,000 gallons to 16,000 gallons: \$5.98 per 1,000 gallons
- 16,001 gallons to 22,000 gallons: \$9.44 per 1,000 gallons
- Over 22,000 gallons: \$15.16 per 1,000 gallons

#### Base service availability charge:

- City residential water utility customer: \$23.25 per month
- Out-of-city residential water utility customer: \$24.25 per month

#### Commercial water rates:

- \$7.26 per 1,000 gallons of consumption plus a base amount dependent on the customer's meter size.

### NON-POTABLE WATER RATES

Non-potable water for lawn irrigation is provided in limited areas of the city.

The non-potable system will be turned on April 15th and run through October 15<sup>th</sup>. Due to the limited availability of water, **non-potable use will only be available June 15<sup>th</sup> to September 15<sup>th</sup>**. The remaining months of the irrigation season will be charged at the higher treated water rate. Rates will be billed as follows:

#### April 15 to June 15 and September 15 to October 15, treated water rate:

- 1,000 gallons to 16,000 gallons: \$5.98 per 1,000 gallons
- 16,001 gallons to 22,000 gallons: \$9.44 per 1,000 gallons
- Over 22,000 gallons: \$15.16 per 1,000 gallons

#### June 15 to September 15 Non-potable water rate:

- All non-potable water \$3.03 per 1,000 gallons

**Effective April 15, the following watering restrictions are in place:** Single family residences with **even-numbered building addresses** shall use water for sprinkling on **Sunday, Tuesday, and Thursday** of each week, and single-family residences with **odd-numbered building addresses** shall use water for sprinkling on **Monday, Wednesday, and Saturday** of each week. **No watering between the hours of 12:00 noon and 5:00 pm. Restrictions shall become effective at 12:01 am on April 15 of each calendar year and shall be in effect until October 15 of each calendar year.**

### STORM DRAINAGE

The Federal Clean Water Act establishes certain storm water regulations. The overall goal is to reduce the number of pollutants entering streams, lakes, and rivers due to storm water runoff from developed land areas. The city is responsible for the development and implementation of all the required storm water management programs and discharge permits for the Evans stormwater management area.

- Residential Storm Drainage Monthly Charge: \$11.64 per dwelling unit.
- For Commercial, Industrial, and Manufactured Home Communities Storm drainage charge, please contact Evans Utility Billing at 970-475-1170.

### WASTEWATER (SEWER)

#### Base and usage rates:

- Inside city limit base rate: \$42.55 per unit per month
- Outside city limit base rate: \$64.89 per unit per month
- Commercial base rate: \$42.55 per unit per month  
Single-family, multiple-family units, manufactured homes and commercial accounts include the first 4,000 gallons of usage based on winter average.
- Residential use charge: \$5.61 per 1,000 gallons of usage (if applicable)
- Commercial use charge: \$11.55 per 1000 gallons of usage (if applicable)

### BILLING AND PAYMENT OPTIONS

The city sends utility bills at the beginning of each month for services rendered in the previous month. Bills are due on the 15th day of each month. A service account is considered past due when the billing for the current period reflects an unpaid balance from the previous billing cycle.

A \$5.00 notification fee will be added to the past due balance. The city notifies customers on their utility billing statement of any past due amount on the subsequent month's bill. Water service is discontinued for non-payment on the 15th day of the following month or the subsequent business day. A \$25 delinquency fee will then be added to the balance. Services are restored when the total past due balance along with the delinquency fee is paid in full.

Payments may be made by cash, check, money order, credit, or debit card. We offer many ways to make a payment, automatic bill pay, on-line, over the phone or in person. The city accepts VISA, Mastercard, American Express and Discover in person or over the telephone. Payments may be mailed to:

**City of Evans, 1100 37<sup>th</sup> St., Evans CO 80620-2036 or**

**City of Evans, PO Box 712158, Denver CO 80271-2158**

Check and money order payments may also be dropped off anytime at the Evans Community Complex drop box, located at the north end of the complex.

**Online Bill Payment** is a payment option offered to Evans utility customers.
