You can get Naloxone - a fast-acting opioid overdose treatment approved by the FDA - FREE OF CHARGE and NO QUESTIONS ASKED at the Evans Community Complex in the Police Department, Customer Service, and Recreation windows. PLEASE share this information with your loved ones as it could mean the difference between life and death.

Members of the Evans Executive Team, including City Manager, Cody Sims, were honored to welcome the Union Colony Exchange Club to City Hall in March for the rededication of the Freedom Shrine that adorns the ECC lobby. If you have not had time to come and peruse the documents displayed - including the U.S. Constitution, Declaration of Independence, Bill of Rights, Instruments of Surrender from Germany and Japan, Emancipation Proclamation, and inaugural and farewell addresses from several of America's greatest presidents, among other historical prints - it is well worth your time and will provide a valuable learning opportunity for residents of all ages.

Evans Mayor Mark Clark and Mayor Pro Tem Laura Speer were honored to receive the Michele Jones Service to the Business Community Award from the Evans Area Chamber of Commerce.

If you are an Evans resident, business owner, or a vendor or contractor doing work with the City who has had a great experience working with a member or a team of the City staff, we've created a new way to say thank you. The City just launched the Exceptionally Evans Employee Recognition program which provides residents, business owners and others with a formal way to thank that person or people who went above and beyond the call of duty. Scan the QR code above for more information and nominate an City Staff member or team with whom you have had a positive experience.

Thank you to everyone who joined us at our Coffee with a Cop event. We hope you had a fantastic time trying on equipment, exploring our patrol car, and learning about our new drones. And of course, who could forget the delicious donuts? Your support is appreciated, and we can't wait to see you again at our future events.

City Council Update

Evans Mayor Mark Clark, right, was joined by Tiffany Ochoa and Bobby Torres from Arc of Weld County as the City Proclaimed March to be Intellectual/Developmental Disabilities Awareness Month in the City.

The subject that drew that most attention in the month of March pertained to the RV, boat and trailer storage regulations that went into effect at the turn of the year. After listening to the sizable volume of resident feedback and consulting with City Staff, the Councilmembers determined that the goals the measure was intended to help achieve can be attained with current code already in effect and voted unanimously to repeal the subsection of the Land Development Code (18.02.040.N) in question.

The Council, on March 19, voted unanimously on first reading to enter into a non-exclusive contract with Allo Communications, LLC for the latter to install their fiberoptic internet infrastructure in the City. This decision will increase the competition for high-speed internet and digital television service, providing Evans residents with an expanded list of options for this increasingly important and highly sought after service. The Councilmembers questioned and got assurances from Allo representatives that the company will work diligently to inform residents when work is being done in their neighborhoods and vowed to quickly repair any accidental damage to private property that results from installation of the network infrastructure.

Looking ahead... The month of April is shaping up to be another busy one for the City Council, with regular meetings scheduled for April 2nd and 16th and a special budget work session for April 30. At the April 2nd meeting, Council will get updates on economic development and rules for the cemetery as well as consider adopting an updated engineering fee schedule, examine a potential design contract for the property on the southwest corner of 31st Street and Highway 85 and consider a site improvement agreement for a Murphy's gas station on 37th Street and 35th Avenue. On April 16, it is tentatively scheduled for the Council to receive updates from the Evans Fire District, Vero Broadband and Baessler Homes (Liberty Draw) as well as consider options for the Council's Discretionary Funds Grant program.

Evans City Council meeting agendas and packets can be accessed on the City website beginning on the Friday prior to regular meetings - the first and third Tuesdays of every month - scan the QR code to the left to access the link. Add the link to your favorites and check back in the days leading up to Council meetings to see what will be discussed, debated, and decided upon.

GOVERNMENT 101 - Community Beautification

The Evans City Council has as its primary goal the expansion and diversification of the local economy. One of the guiding pillars in achieving that goal is enhancing the aesthetics of the City – what has come to be called community beautification.

In order to improve the look of our community, all residents, businesses, and, yes, the City itself, are responsible for putting forth their best efforts to achieve the desired ends. In 2023, the City made a concerted effort to clean up our own buildings and spaces, adding new landscaping in multiple areas, either scrapping or selling off a large number of unused and decrepit vehicles and tools from the City’s parks maintenance and operations divisions and completing a sizable amount of clean up and repair work on City buildings and property.

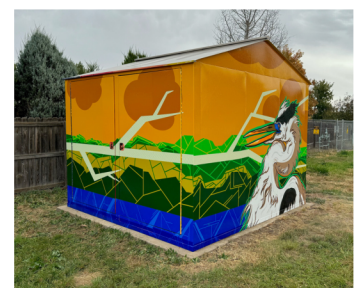

The City of Evans is investing in upgrades to landscaping all across the City, particularly along our major thoroughfares. To do this in a budget-conscious manner, a lot of new landscaping is comprised of decorative stone with water-wise foliage included to accent and complement the harder materials; the City’s non-potable water system is used for irrigation where possible in landscaping that does require watering. The City is also investing heavily in sprucing up our public parks; refurbishment has been done just since the turn of the year to the Freedom Dog Park, work has begun on significant upgrades at DaVinci Park (see page 18), and a request for proposals for design upgrades for a park in the Hunter’s Reserve neighborhood has been posted and will close on April 4.

In addition to landscaping projects – which will continue with new road work as well as along the U.S. Highway 85 corridor on the east side of town – the City was grateful to partner with local artists and design studios to add vinyl wraps to the seven new traffic control cabinets that were installed last winter as well as for the filter station at Driftwood Park. These wraps not only create head-turning displays of public art, but they also aid in deterring graffiti on public property. Plans for adding wraps to other such infrastructure around the City are in the works.

Another way the City is working to improve and enhance the overall look of Evans is through the code enforcement process. It is the responsibility of the property owner to assure their home and yard are in compliance with the City code. There are requirements regarding tree trimming, control of weeds and brush, trash, junk and outdoor storage, inoperable/unlicensed vehicles, and vehicle parking. Homeowners in violation of any of these ordinances will receive a courtesy notice from the City informing them of the violation and requesting it be rectified in a specific time frame. Violations of City codes, if left unfixed within the defined time frame, can result in fines being levied on the property owner. Many of the ordinances are in place have a dual benefit of increasing public safety and improving the City’s image.

To report Code violations, contract the City of Evans Neighborhood Services Division at 970-475-1115 or at bpascoe@evanscolorado.gov. Scan the QR code to learn more about Code Enforcement.

Road and Street Improvements

With the arrival of spring comes road work and construction season. For 2024, the City of Evans has budgeted a total of \$1,450,000 for roadway maintenance projects which include concrete replacement work (pictured above from March in the Platte Valley neighborhood due east of Centennial Elementary School) as well as asphalt patching, asphalt surface treatment, crack seal and mill and overlay work. Over the course of the next few months, these types of projects will be undertaken in neighborhoods across the City. Maintenance projects like these - funded in part by the 1% road tax - serve to not only improve road conditions but are also aid pavement preservation, saving the City, and thus the taxpayers, enormous sums of money in the long run.

Next Phase of 37th Street Widening Project to begin in April!

Beginning this month, the next phase of the 37th Street widening project will begin. This year's work will see 37th Street widened to two lanes in both directions between Sienna Avenue to Stampede Drive, beginning where the project ended last year. The roadway will be redone in its entire one-half mile stretch to a four-lane modern arterial roadway with a landscaped median irrigated with non-potable water. The project will also include some underground utility work including the lowering of some of the Atmos gas lines and the construction of a storm sewer. This project is the next step in a major redesign of the main east-west thoroughfare in our City.

The City of Evans Engineering Division estimates the project will be completed by September but believe the roadway will be open in both directions for the majority of the timeframe. At times, however, 37th Street will have to be closed to just one lane with flaggers controlling traffic and thus residents are asked to take alternate routes if possible. We further ask that travelers remain patient during the project; we know road construction can be an inconvenience but we're sure this project will be well worth the temporary traveling delays it may cause.

Chip seal work completed in the Grapevine Hollow neighborhood in 2023.

New Businesses opening their Doors in Evans

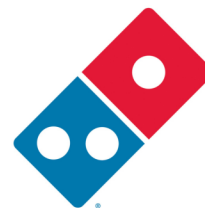

On February 21, representatives from Vero joined members of from the Evans City Council and City Staff, the Evans Area Chamber of Commerce and others for their official ribbon cutting ceremony in Village Park. Vero installed the main nerve center for the fiberoptic network and is currently in the process of laying underground lines. This is an exciting time for Evans residents and businesses who are looking for more options for high-speed internet services. Scan the QR code above to learn more about Vero.

Over the last few months, we have welcomed several other new businesses to the City as well. The Rush Events Center is a family-owned local events center that offers a number of fun activities, as well as food and drinks for people of all ages. Just last weekend, the hit HGTV series 'House Hunters' was on site at The Rush filming a local family as they enjoyed their real estate search. In early 2024, Hiroshi Teriyaki Grill opened up in Evans, offering a large selection delicious offerings of freshly made beef, chicken, pork, veggie bowls and meals and the famous sides you'd expect.

Late last year the City also welcomed the new QT out on Highway 85 and the Dominos Pizza 3304 37th Street. Support these local businesses that are part of the Evans family!

Stay on top of what the City of Evans is doing

The City of Evans is always interested in keeping our citizens informed and we have a number of ways to keep in touch with you. Whether you are up on the latest social media apps or someone who prefers to get their information the old fashioned way, we've got you covered!

Stay Alert. Stay Informed.

The City of Evans is a participant in the Voyent Alert system.

Using this app - which is FREE to download to any smart device and/or to allow email notifications - will keep you in the loop on a range of events that impact your life. Using this system, we can alert, with a simple text message and/or email, about potential weather emergencies like tornados, floods or massive snow storms. We can inform on road closures and changes the refuse collection schedules. This is a simple, easy way to stay informed on things that might impact you and your family, all you have to do is download the Ap and enter that you live in Evans, Colorado. Learn more about the Voyent Alert by scanning the QR code. You can also go to the App Store for your smart device and search for "Voyent Alert."

www.evanscolorado.gov

Do not forget the City website is a very useful source to find information on all offerings the City has for residents.

The City of Evans is active on the popular social media channels. Our most used platforms are Facebook, Instagram and NextDoor. If you are using any of these channels, search for "City of Evans" and give us a like, a follow or join our group. We use each of these platforms daily to keep residents and businesses up to date on all sorts of need-to-know information. By liking and following on social media, you'll quickly and easily be able to stay up to date on everything happening here in Evans.

A Message from the Chief

Evans Police Chief, Rick Brandt

The Evans Police Department welcomes you to **#StandWithUs** in serving our community with professionalism, respect, integrity, dedication, and excellence. Few careers offer a sense of accomplishment, pride, and esprit de corps that being a police officer does. Through our mission of protecting the innocent coupled with our tireless pursuit of justice, our officers serve and protect with courage and conviction that exemplify the traditions of honor and selflessness that being a peace officer demands. Do you want to make a real difference? Come and **#StandWithUs!**

Neighborhood Watch

Neighborhood Watch is a program where community members, in cooperation with the Evans Police Department, participate in the detection and deterrence of crime in their neighborhoods.

The Neighborhood Watch Program facilitates communication between you and your neighbors. Additionally, it develops a partnership between our City police force and citizens to help enhance the safety and security of our neighborhoods.

As citizens of the Evans community, we share the common goal of enhancing the quality of life within all of our neighborhoods

Keeping you and your family as safe as possible is a continued goal of the Evans Police Department.

Our success in reaching this goal depends greatly on your efforts as well.

If you would like to organize a Neighborhood Watch Program, please reach out to Teresa McClatchey at 970-590-1504 or tmcclatchey@evanscolorado.gov

New Utility Payment Options!

Expanded ways to make bill pay easy, fast & safe

Method	Benefits	Cost
Electronic - call, text, online	Can do it anytime, from anywhere. 100% safe and secure and available 24 hours a day!	\$0.95 (EFT) or 2.95% (\$2.95 min.) for credit/debit card
In person or by mail	Visit us! Don't pay fees!	FREE! if paying with cash/check/ money order.

Paying utility bills is no fun, so we're making it faster, easier, and more convenient.

Choose the method that's best for you!

Some things to keep in mind:

- Our new system has changed account numbers; the zeros in front have been removed and a -0 has been added to the end.
- If you old account number was 00000045829 it now will be 45839-0.
- If paying via mail, please include your bill stub to reduce the risk of a processing error.

Scan the QR Code to visit The City of Evans website and register for text or online payments today!

¡Nuevas opciones de pago de servicios públicos!

Formas ampliadas de hacer que el pago de facturas sea fácil, rápido y seguro

Método	Beneficios	Costar
Electrónico: llamada, mensaje de texto, en línea	Puede hacerlo en cualquier momento y desde cualquier lugar. ¡100% seguro y disponible las 24 horas del día!	\$0.95 (EFT) o 2.95% (\$2.95 min.) para tarjeta de crédito/débito
En persona o por correo	¡Visítanos! ¡No pagues cuotas!	¡GRATIS! si paga en efectivo/cheque/giro postal.

Pagar las facturas de servicios públicos no es divertido, por lo que lo estamos haciendo más rápido, más fácil y más conveniente.

¡Elige el método que mejor se adapte a ti!

Algunas cosas a tener en cuenta:

- Nuestro nuevo sistema ha cambiado los números de cuenta; Se han eliminado los ceros delante y se ha añadido un -0 al final.
- Si su número de cuenta anterior era 00000045829 ahora será 45839-0.
- Si paga por correo, incluya el talón de su factura para reducir el riesgo de un error de procesamiento.

¡Escanee el código QR para visitar el sitio web de la ciudad de Evans y regístrese para pagos por mensaje de texto o en línea hoy!

- Receive your reimbursement
- Maintain and care for your tree properly

See the Tree Assistance Program info sheet and application for all requirements.

COMING IN 2024 DaVinci Park

- Walking path
- Pump Track
- Shade Trees
- Green Grass
- Picnic Area

4117 Florence Ave

The City of Evans Parks, Recreation and Facilities Department is so excited to announce that work has continued on the remodel at DaVinci Park. Over the next few months, crews will be out working on this magnificent addition to our City, so beware if you are in the area. This summer, when work is complete, we will hold a grand opening ceremony. Until then, stay tuned to the Evans Express and Evans social media for updates on construction. Below are photos from the beginning of work (left) and of the pump track which, along with other concrete work, is 95% complete. Work will begin on the irrigation system and laying down the sod turf in the very near future.

Outdoor Street Lighting

How to report a Street Light Outage

What you will need to report a street light outage

The Pole number where the light is located—the pole number will be on the street side of the pole and will either have two numbers over two, or three over three.

For Example

Xcel Energy relies on the information you provide so please be as specific as possible. If the pole does not have a number, then please provide the address behind the pole, or a description of where the pole is located.

For example: The light is located on the Southwest corner of E. 16th Ave and Pennsylvania.

Need assistance?

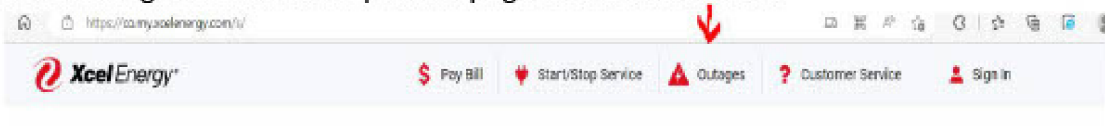

Call 1-800-895-4999

For 24-hour Customer Service

Where to report a Street light Outage?

Go to <https://co.my.xcelenergy.com/s/>

FIRST: Select the Outages icon at the top of the page as indicated below

NEXT: Scroll to the bottom of the page and look for **Outdoor lighting Outages** and click on **REPORT AN OUTDOOR OUTAGE** as seen below

Next: Click on **Report it now** →

Finally: Enter your information.

1. Your name
2. Your email address: This is used to inform you when the light is repaired.
3. Contact phone number: This will be used to contact you should we have any questions regarding your repair request.

Pole information: ****If an outdoor lighting pole is broken, please call Xcel Energy Customer Care at 1-800-895-4999.

1. Select the problem with the light
2. Pole number: This is where you would enter the two over two or three over three numbers on the pole.
3. Light location: This is the Address where the light is located. Please provide as much specific information as you can.
4. Comments: Provide any additional information that you believe would be helpful

Lastly: You may Add more outages if there are more than one or hit the submit button.

Once you submit the request you will be provided a confirmation number. Keep this number to refer back to if needed.

*****Please note:** Repairs are made in 5 business days unless there is more than routine maintenance is required.
