

New Police Station Officially Opens at 3737 Saint Vrain Street

The Evans Police Department has officially moved into our new home, and we couldn't be more excited! After months of planning, preparation, and hard work, our officers and staff are settling in and enjoying the new facility.

Our new building provides a modern, welcoming space designed to better support our officers, staff, and the community we serve. While there are still a few boxes to unpack and details to settle in, it's already feeling like home.

We're incredibly grateful to everyone who helped make this project possible and look forward to serving the Evans community from our new home for many years to come!

Heritage Day set for September 19th

The City of Evans is excited to host the community's most cherished event! Heritage Day will begin on Saturday morning with the pancake breakfast, parade and vendors fair at City Park. In the evening, come by Riverside Park and enjoy the beer & spirits garden, games, rides, and live entertainment. The day's festivities conclude with the fireworks show which will begin around 8:30 p.m. See **page 7** for more info!

City Council approves corridor locations for AVIS (speed camera) deployment

At the Aug. 18, 2026 meeting of the Evans City Council, unanimous approval (7-0) was given to Resolution No. 24-2026, which designated the

corridors where the AVIS speed camera equipment will be deployed. The City will be deploying one fixed and one mobile AVIS unit.

The four corridors are as follows:

- 37th Street – 65th Avenue to Highway 85
- 42nd Street / Prairie View Drive – 35th Avenue to Highway 85
- 11th Avenue – From the southern edge of the intersection with Highway 34 to the intersection with 37th Street (the entrance to the Evans Community Complex)
- 35th Avenue – From the northern city limits (roughly the 3200 block) to 49th Street

Each corridor will allow for east/west or north/south AVIS deployment. 37th Street, in the vicinity of the intersection with Palermo Avenue, will be the location of the fixed system. The mobile unit will be deployed in any of the four approved corridors, including 37th Street.

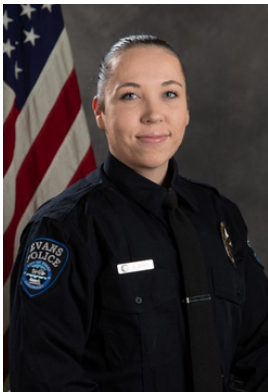

Cleanup Day to be held on October 3rd

The fall community cleanup event will take place on Saturday, October 3 at 3323 1st Avenue. The event is available to City of Evans utility customers who pay for trash service through their City utility bill. Cleanup vouchers are \$15 and may be purchased in advance at the Evans Community Complex customer service windows or at the gate the day of the event. Please see **pages 8-9** for full details.

The Evans Police Department is proud to announce Officer Brady Higareda has taken over as the School Resource Officer and Master Officer Deidra Ramirez, formally the School Resource Officer, has transitioned to the role of Community Resource Officer, beginning this month. Please join us in welcoming Officers Higareda and Ramirez to these new roles where they will continue to support the Evans Community!

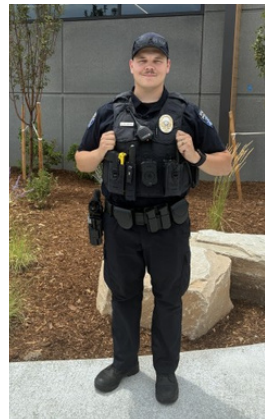

Master Officer Deidra Ramirez Community Resource Officer

Officer Deidra Ramirez is transitioning from her role as a School Resource Officer into the position of Community Resource Officer. During her time as an SRO, she served six schools, fostering strong partnerships with students, educators, and families while emphasizing safety, prevention, and community engagement.

As the Community Resource Officer, she is excited to expand those relationships throughout the City of Evans by strengthening connections with residents, businesses, and community organizations, while continuing to build trust and promote public safety through outreach, education, and collaboration.

Officer Brady Higareda School Resource Officer

Officer Brady Higareda is excited to begin a new chapter of service as a School Resource Officer, where he looks forward to building positive relationships with students, staff, and the community. Before joining the Evans Police Department, he proudly served as a Sergeant in the United States Army, developing strong

leadership skills and a passion for serving others. In 2021, he continued that commitment by beginning his career in law enforcement, bringing his experience, professionalism, and dedication to protecting and supporting the community.

Evans Police Department Supports Local Families Through Badges for Babies

The Evans Police Department was proud to participate in Badges for Babies, a community diaper drive benefiting the Covering Weld Diaper Bank. From August 22–30, Evans Police challenged the community to come together and collect diapers and baby essentials for local families in need.

The drive brought together Evans and Greeley in a friendly competition, with Evans Police also taking on our friends at Evans Fire to see who could rally the most support. Community members donated diapers, wipes, and diaper rash cream at the Evans Police Department, helping provide essential supplies to families throughout Weld County.

We are incredibly grateful to everyone who donated and helped spread the word. While the competition may have been friendly, the real winners are the Weld County babies and families who will benefit from the generosity of our community!

Brand new playground at Ridge Park

Explore Evans Parks This Summer

With the summer here, it's the perfect time to get outside and enjoy everything the City of Evans parks system has to offer. With a wide variety of parks located throughout the community, Evans provides residents and visitors with convenient access to quality outdoor spaces designed for recreation, relaxation, and connection.

From small neighborhood parks to larger community destinations, each park offers its own unique character and amenities. Whether you're looking for a place to stay active, gather with friends and family, or simply enjoy some fresh air, Evans parks provide welcoming, well-maintained spaces for all ages and interests.

Amenities and activities for all ages and all abilities!

From neighborhood parks to larger community spaces, Evans parks feature:

- Basketball and tennis courts
- Ballfields and multi-use athletic fields
- Sand volleyball courts and horseshoe pits
- Playgrounds and nature-inspired play areas
- Walking paths, open green space, and scenic spots
- A pump track at DaVinci Park
- Off-leash fun at Freedom Dog Park
- Disc golf and more

Ballfield Complex at Riverside Park

Beyond these amenities, the parks system also supports everyday quality of life in Evans. Parks provide safe spaces for children to play, opportunities for residents to stay physically active, and places where neighbors can gather and build community. Many parks include shaded areas, picnic spaces, and open lawns that are ideal for everything from casual afternoons outdoors to small group gatherings.

Disc Golf at Pioneer Park

The City continues to invest in maintaining and enhancing these spaces to ensure they remain clean, accessible, and enjoyable for everyone. As Evans grows, the parks system remains a key part of the community's commitment to livability and overall well-being.

Spring and summer are ideal times to explore everything the parks system has to offer. Residents are encouraged to visit a new park, try out different amenities, and make the most of the longer days and warmer temps. Scan the QR code to view the full list of parks and amenities.

Do you part to keep Evans looking its best!

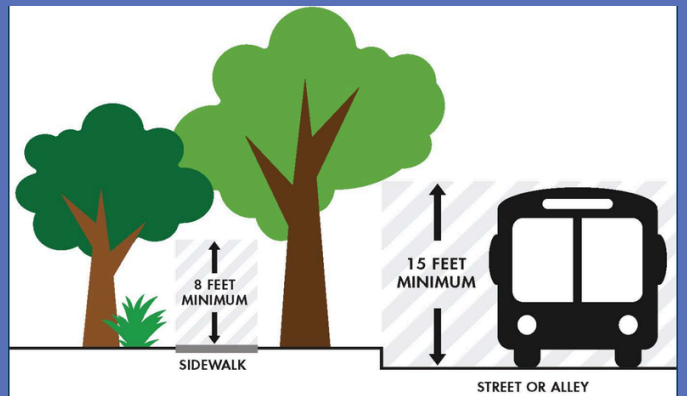

As the weather warms up, it's the perfect time to get outside and enjoy everything the City of Evans parks system has to offer. With a wide variety of parks located throughout the community, Evans provides residents and visitors with convenient access to quality outdoor spaces designed for recreation, relaxation, and connection.

From small neighborhood parks to larger community destinations, each park offers its own unique character and amenities. Whether you're looking for a place to stay active, gather with friends and family, or simply enjoy some fresh air, Evans parks provide welcoming, well-maintained spaces for all ages and interests.

Helpful brochures are available on the city website that help explain common code violations

Code enforcement officers investigate code violations on private property related to:

- Inoperable Vehicles
- Trash, Junk, and Outside Storage
- Tall and Noxious Weeds
- Hazardous Trees
- Brush
- Dirt Piles and Debris
- Snow on Sidewalks
- Maintenance of Fences
- Graffiti Removal

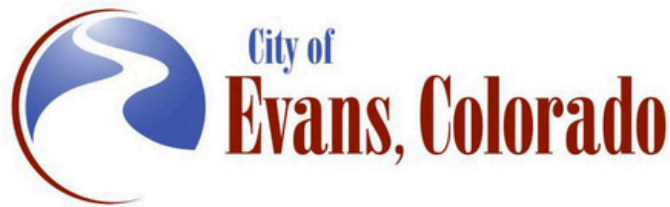

Do you know a yard that stands out in Evans? Each month, Neighborhood Services recognizes a residential property that demonstrates outstanding yard care and community pride with the Yard of the Month award. The winning homeowners receive a \$100 gift card and will be recognized by Mayor Clark. Help us celebrate the neighbors who make Evans beautiful! To nominate a yard just take a photo of the property and email the photo and address to: neighborhoodservices@evanscolorado.gov
Nominate your neighbors or any yard around the city you feel deserves recognition!

The City of Evans has launched a new interactive GIS StoryMap that makes it easier than ever to understand common nuisance code violations, and how to correct them. From weeds and trash to inoperable vehicles and outdoor storage, this tool provides clear, real-world examples of what's allowed and what needs attention.

Whether you're a homeowner, renter, or landlord, this resource is designed to help you stay in compliance and take pride in your property. Scan the QR code to the right to view the story map for.

Existing Food Sales Tax—Proposed Use Amendment

November 3, 2026 Coordinated Election

NO NEW TAX | NO TAX-RATE INCREASE

The proposal would expand the permitted community uses of existing food-tax revenue. It would not change which purchases are taxed or increase taxes.

What is “food for domestic consumption”?

Generally, groceries and similar food products purchased for preparation or consumption at home.

Generally included	Generally not included
• Groceries and similar food products • Food prepared or consumed at home	• Restaurant meals or hot prepared food • Alcohol, tobacco, pet food, and non-food household items

The amendment would not change this product scope.

How may the revenue be used today?

2002	Capital improvements • Parks and recreation facilities • Trails and walkways • Streets, bridges, and traffic-control improvements • Implemented in 2002 via Ordinance No. 161-02.
2021	Police station • Designing, constructing, equipping, and maintaining a new City police station • Implemented in 2022 via Ordinance No. 769-22.

Current restriction: Revenue may be spent only for voter-authorized purposes, not for general municipal purposes.

What would be added if voters approve?

NEW USE 1

Performance-based economic development incentives

Intended to attract commercial development, create jobs, expand local shopping opportunities, and generate additional sales-tax revenue.

NEW USE 2

Operations that support and sustain City facilities and improvements

Operations would support and sustain facilities and improvements maintained by the City for the purposes established in 2002 and expanded for the police station in 2021, as implemented in 2022.

What changes—and what stays the same?

Would change	Would not change
• Two additional permitted uses become available. • Council may consider eligible expenditures during the annual budget process.	• The existing tax rate does not change. • Existing voter-approved uses continue. • The police facility and previously financed improvements remain the first maintenance priority. • Taxable purchases do not change.

What happens after the election?

If voters approve	If voters do not approve
• Permitted uses expand to include the two proposed categories. • The existing tax continues at the current rate. • All current voter-approved uses continue.	• No new permitted uses are added. • The 2002 and 2021 authorized uses remain unchanged. • The existing tax continues at the current rate.

IN EITHER OUTCOME: The ballot question does not create a new tax and does not increase the existing tax rate.

What oversight remains?

- Revenue may be spent only for purposes authorized by voters.
- City Council has final authority over the annual budget and appropriation process.
- Approval of Resolution No. 25-2026, approved August 18, 2026, only places the question on the ballot; it does not authorize an expenditure.

Frequently asked questions

Is this a new tax or rate increase? No. It only affects the permitted uses of an existing tax.

Would the amendment change which products are taxed? No.

What if the measure is unsuccessful? Current authorized uses remain unchanged.

Election date: November 3, 2026

BACK TO SCHOOL

SAFETY TIPS

As Evans students gear up for another exciting school year, the Evans Police Department is proud to support our schools by helping keep kids safe on their journey to and from class. Whether you're a parent, a commuter, or just passing through town, your attention behind the wheel makes a difference.

Here are a few essential reminders as school gets back in session:

- ◆ **Slow Down in School Zones**

Always obey posted speed limits. Children can be unpredictable, especially near schools and crosswalks.

- ◆ **Watch for School Buses**

Red flashing lights mean stop—no matter which direction you're headed. Stay alert during pick-up and drop-off times.

- ◆ **Put the Phone Down**

Avoid texting or other distractions while driving, especially near schools, bus stops, and neighborhoods.

- ◆ **Look for Pedestrians**

Yield to students and families using crosswalks. Take extra care when turning or backing out near school areas.

Together, we can ensure a safe and successful start to the school year for every student in our community. Your vigilance saves lives—thank you for driving smart and staying alert!

Let's make this school year safe, strong, and full of promise—welcome back, Evans students!

 **Friendly Disclaimer:** While we love smiling kids and waving parents, we'll also be smiling while running radar in school zones. Please help us avoid awkward conversations and tickets—slow down and drive safe!

City of Evans Police Department

NEIGHBORHOOD WATCH

Neighborhood Watch is a program where community members, in cooperation with the Evans Police Department, participate in the detection and deterrence of crime in their neighborhoods.

The Neighborhood Watch Program facilitates communication between you and your neighbors. Additionally, it develops a partnership between our city police force and the citizens to help enhance the safety and security of our neighborhoods.

As citizens of the Evans community, we share the common goal of enhancing the quality of life within all of our neighborhoods.

Keeping you and your family safe is a top priority of the Evans Police Department. Achieving this goal is a shared effort, and your awareness, involvement, and cooperation play a critical role in helping keep our neighborhoods safe.

Find out more today!

If you would like information about how to start a Neighborhood Watch Program, please us contact using the information below.

AUGUST	19	25	32	39
SEPTEMBER	16	22	28	33
OCTOBER-DECEMBER	WATER TREES AND SHRUBS AS NEEDED			

Source: <https://www.denverwater.org/residential/efficiency-tip/watering-your-lawn>

Please note, sprinkler cycle and soak can help increase efficiency and reduce runoff. Run 2-3 cycles 45-60 minutes apart with the total run time for the day equal the duration recommended in the table above.

*Please note that these are recommended run times for our region, if your lawn is suffering at these recommended run times please adjust time and cycles accordingly. Alternatively, if you water less than this and your lawn is healthy, do not water more than needed.

The City of Evans has Outdoor Watering Policies effective between April 15 and October 15.

Outdoor watering is allowed on scheduled days except between the hours of 10:00 a.m. and 6:00 p.m.

- Single-family homes with even-numbered addresses shall only use outdoor irrigation on Sunday, Tuesday, and Thursday of each week.
- Single-family homes with odd-numbered addresses shall only use outdoor irrigation on Monday, Wednesday, and Saturday of each week.
- All other properties including commercial, multi-family residences, apartments, government, and nonprofit organizations shall only use outdoor irrigation on Sunday, Tuesday and Friday of each week.

Contact Evans Water Conservation for questions or more information: waterresources@evanscolorado.gov

RECYCLING IS REAL

Bottle = Shirt

The plastic water bottles you recycle can be made into thread for fabric used to make clothing, backpacks, sneakers and more.

Paper = Paperboard

The clean paper you recycle is pulped and made into paperboard packaging for cereal, crackers and other household goods.

Jug = Carpet

The thick multi-gallon plastic water jugs you recycle can be made into carpet for homes and businesses.

Can = Can

The aluminum beverage cans you recycle today will be back on the shelf as a new can in about 60 days.

RECYCLE RIGHT

Only place the following
in your recycle cart

- Clean cardboard
- Paper
- Metal cans
- Glass bottles and jars
- Plastic containers shaped like bottles, jars, jugs and tubs.

Do **NOT** put any of these items in your recycle cart

- Food or liquids
- Plastic bags
- Batteries, electronics
- Clothing or carpet
- Paper towels, cups, napkins or plates
- Concrete or wood
- Styrofoam, scrap metal
- Yard waste

EL RECICLAJE ES REAL

Botella = Camisa

Las botellas de agua de plástico que reciclas se pueden convertir en hilo para telas que se usan para hacer ropa, mochilas, zapatillas y más.

Papel = Cartón

El papel limpio que recicla se convierte en pulpa y se transforma en envases de cartón para cereales, galletas y otros productos para el hogar.

Jarra = Alfombra

Las gruesas jarras de agua de plástico de varios galones que reciclas se pueden convertir en alfombras para hogares y negocios.

Puede = Puede

Las latas de aluminio para bebidas que reciclas hoy volverán a estar disponibles en los estantes como latas nuevas en aproximadamente 60 días.

RECYCLE RIGHT

Coloque únicamente lo siguiente en su contenedor de reciclaje

- Cartón limpio
- Papel
- Latas de metal
- Botellas y frascos de vidrio
- Recipientes de plástico con forma de botellas, frascos, jarras y tinas

NO coloque ninguno de estos artículos en su carrito de reciclaje.

- Alimentos o líquidos
- Bolsas de plástico
- Baterías, electrónica
- Ropa o alfombra
- Toallas de papel, vasos, servilletas o platos
- Hormigón o madera
- Poliestireno expandido, chatarra
- Residuos de jardín

From our Friends at WM

RECYCLING TIP

Keep **TANGLERS** Out of Recycling Carts

Garden hoses, rope, chains and wire hangers are not accepted in curbside recycling. These items can get tangled in sorting equipment causing safety issues.

wm.com/RecycleRight

Source: WM

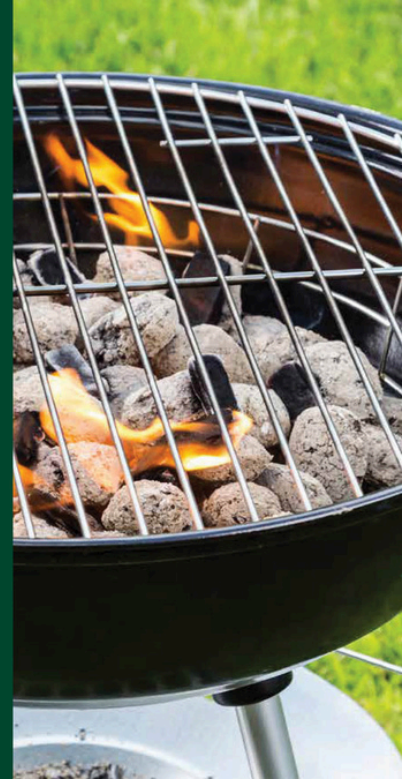

SAFETY TIP

Help Prevent **TRASH** Fires

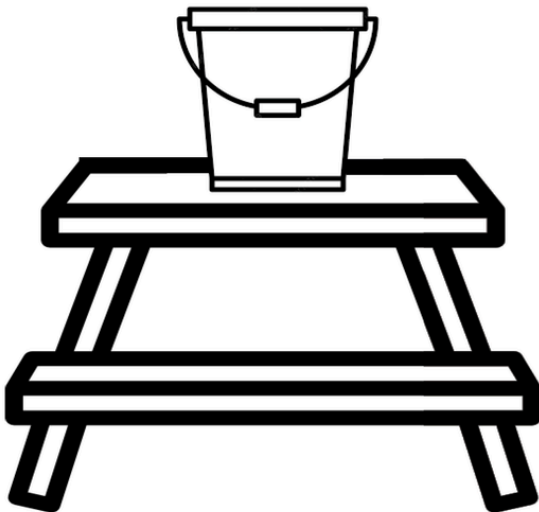

Hot ashes can cause fires or melt your trash cart. Let coals cool for at least 48 hours before bagging them and disposing in the trash.

Learn more at wm.com

Source: WM

HELP PREVENT TRASH FIRES

Hot ashes can cause fires or melt your trash cart. Let coals cool for at least 48 hours before bagging them and disposing in the trash. It's wise to soak coals with water to be sure they are completely cool and safe to dispose. **Draw how you would ensure the coals are cool.**

Outdoor Street Lighting

How to report a Street Light Outage

What you will need to report a street light outage

The Pole number where the light is located—the pole number will be on the street side of the pole and will either have two numbers over two, or three over three.

For Example

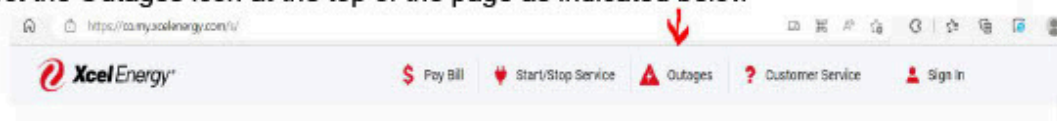

Xcel Energy relies on the information you provide so please be as specific as possible. If the pole does not have a number, then please provide the address behind the pole, or a description of where the pole is located.

For example: The light is located on the Southwest corner of E. 16th Ave and Pennsylvania.

Where to report a Street light Outage?

Go to <https://co.my.xcelenergy.com/s/>

FIRST: Select the Outages icon at the top of the page as indicated below

NEXT: Scroll to the bottom of the page and look for **Outdoor lighting Outages** and click on **REPORT AN OUTDOOR OUTAGE** as seen below

Next: Click on **Report it now** →

Finally: Enter your information.

1. Your name
2. Your email address: This is used to inform you when the light is repaired.
3. Contact phone number: This will be used to contact you should we have any questions regarding your repair request.

Pole information: ****If an outdoor lighting pole is broken, please call Xcel Energy Customer Care at 1-800-895-4999.

1. Select the problem with the light
2. Pole number: This is where you would enter the two over two or three over three numbers on the pole.
3. Light location: This is the Address where the light is located. Please provide as much specific information as you can.
4. Comments: Provide any additional information that you believe would be helpful

Lastly: You may Add more outages if there are more than one or hit the submit button.

Once you submit the request you will be provided a confirmation number. Keep this number to refer back to if needed.

*****Please note:** Repairs are made in 5 business days unless there is more than routine maintenance is required.
