

November 2025

37th Street Widening Project Complete!

We are proud to announce that work on Phase 2B of the 37th Street widening project has been completed. With this latest phase complete, 37th Street now operates as a modern, four-lane arterial from the 47th Avenue intersection all the way to Highway 85. Completion of this project represents another significant step forward in the evolution to Evans into the community of choice in Northern Colorado. Thank you to everyone for their patience while this project was on-going and thank you as well to our general contractor, GLH Construction, and to RockSol for their construction management services.

 **HOLIDAY TREE LIGHTING CEREMONY SCHEDULED FOR NOVEMBER 21! SEE PAGE 15 FOR FULL DETAILS.**

On Nov. 4, State Representative Ryan Gonzalez was present to help officially open the new McDonald's restaurant at Evans Junction alongside representatives from the City of Evans, Evans Area Chamber of Commerce and other community leaders.

Unofficial results from the Weld County Clerks Office indicate Evans Ballot Measure 2A - the permanent extension of the 1% Road Ahead sales & use tax for transportation projects in Evans - will pass by a comfortable margin.

- **YES: 2,252 (70%)**
- **NO: 964 (30%)**

1100 37th Street • Evans, Colorado • 80620

Phone: (970) 475-1170 • info@evanscolorado.gov • www.evanscolorado.gov

November 6, 2025

To the Citizens of Evans,

Thank you for your trust and support in passing—and making permanent—the Road Ahead tax. Your vote wasn't just about roads and infrastructure; it was a vote of confidence in the future of our city and in the work we're doing together. As your mayor and a proud member of this community, I'm deeply grateful for your belief in our shared vision. This funding will allow us to continue building safer, smoother, and more reliable streets that serve every neighborhood and every family in Evans.

I've always believed that Evans is more than just a place on the map—it's a community built on trust, resilience, and a shared commitment to progress. Your support reaffirms that belief. Thank you for standing with us and for helping pave the way—literally and figuratively—for a stronger, more connected Evans. I'm honored to serve you, and I look forward to the continued journey ahead.

Warm Regards,

Mark Clark, Mayor
City of Evans, Colorado

November 2025

City Council Update – October 2025

The big news from October from the Evans City Council was the approval of the 2026 operating and capital budget. While the budget was formally adopted in October, crafting the budget began much earlier in the year as the council discussed priorities, evaluated revenue estimates, and worked with city leadership to identify needs for both the short term and long term.

Increasing costs and the lowest mill levy in Weld County made for some tough decisions; all city departments were asked to submit 2026 budget requests that included a 5% (or greater) reduction in supplies and services requests from what was allocated in 2025. Overall, general fund revenue increased only 1%, or about \$101,000, from 2025.

Among the highlights, in 2026, the city will continue with the 37th Street expansion project, with \$5.621 million budgeted out of the Streets, Street Impact, and Road Tax funds, to complete the arterial expansion from 65th Avenue to Arrowhead Drive. \$525,000 is appropriated for a traffic signal at the 23rd Avenue / 42nd Street intersection, \$1.5 million is budgeted for engineering and design work for a full reconstruction of 49th Street, and there is a line item for \$1.6 million from the Water Fund to replace the Highway 85 water line between 32nd and 37th Streets.

The council also voted to forgo further participation in the Northern Integrated Supply Project (NISP) water rights agreement. Due to costs that have escalated from \$350 million to over \$2.7 billion for the project – which serves communities all over Northern Colorado – it was decided that further participation would likely cause untenable rate increases on city utility customers.

At the Evans City Council Meeting on October 7th, Chief Darlin recognized several members of the Evans Police Department with well-earned awards for their outstanding service and dedication to the community.

10-Year Service Award

- Master Officer Peppas

20-Year Service Award

- Community Relations Administrator McClatchey, Acting Lieutenant Trahan, Master Officer Kauffman

Exceptional Service Award – This award is presented in recognition of exceptional service to the Investigations Team during their time assigned to the unit.

- Master Officer Kauffman, Sergeant Schissler, Acting Lieutenant Trahan, Property and Evidence Manager Cobb

Chief's Citation Award – This award recognizes the outstanding work performed by the Investigations Team in 2024.

- Acting Lieutenant Trahan, Detective Ramirez, Detective Thomasson, Detective Ediger

2025 Officer of the Year

- Officer Barleen

Congratulations to all the recipients, and thank you for your continued commitment to the City of Evans and its residents!

November 2025

City of Evans Major Projects Update

The brand new Hunter's Reserve Park at 3800 29th Avenue has been completed and is open to the public. Come check out the newest edition to the Evans Parks System!

The work on the full reconstruction of 42nd Street/Prairie View Drive is nearly complete. In October, after the eastbound lanes were completed and opened to through traffic, contractor Martin Marietta completed all needed utility and concrete work on westbound lanes before laying down the top mat of asphalt. Final striping and surveying will take place the first week of November and the roadway is expected to be opened no later than Nov. 14.

The foundation of the new Evans Police Station at 3819 Saint Vrain Street, directly south of and adjacent to the Evans Community Complex, is nearly complete.

At the city council meeting on Nov. 3, a contract amendment with general contractor FCI Constructors locked in the guaranteed maximum price for the new facility at \$25,014,214, considerably below the \$35,000,000 that was budgeted. Construction has been progressing as planned and the project remains on target for completion in fall 2026.

The installation of the new playground at Renaissance Park has been completed and the park will open in November.

November 2025

Our Drug Take Back & Shredding event over the weekend was a great success!

We collected nearly 300 pounds of expired and unused prescription medications, helping to ensure our community stays safe and protected from potential medication misuse. Thanks to the support and partnership with Shred Monster, we were able to fill their shredding truck with 7,200 pounds of shredded paper. We appreciate our community members for their participation and commitment to safety. Together, we're making a positive impact by reducing the risks associated with leftover medications and ensuring proper safekeeping of personal and confidential information through shredding.

The holiday season is quickly approaching. In a few weeks, officers will place a large collection box at the front window of the Evans Police Department to collect new, unwrapped, toys for those in need. Donations will be accepted through December 25th. If you have any questions, please reach out to Teresa McClatchey at 970-590-1504. We appreciate your support and generosity!

The Police Department's annual Halloween Event took place this past Sunday, and it was a great success! A big thank you to everyone who joined us and helped make the day so fun and festive. Wishing everyone a happy and safe Halloween!

The Evans Police Department has maintained a strong partnership with Coats & Boots for Kids of Weld County, a subsidiary of the Jireh Project, to support local children. Today, officers were at Centennial Elementary outfitting nearly 200 students in need with brand-new winter gear.

We are incredibly grateful for this partnership and the opportunity to help our students stay warm this winter. A special thank you to our generous donors—Baessler Homes, Evans Moose Lodge, City of Evans, and Will & Alicia Thorpe. Your support made this possible and we truly appreciate your kindness.

November 2025

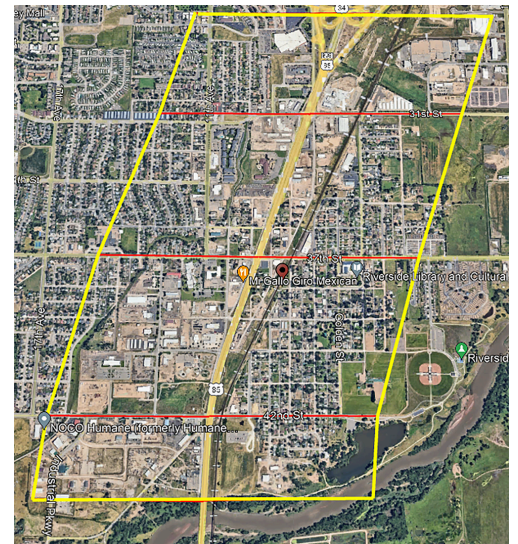

REIMAGINE 85

Evans Property Initiative

INTRODUCING THE EVANS PROPERTY INITIATIVE: TRANSFORMING THE HIGHWAY 85 CORRIDOR

The City of Evans is thrilled to launch the Evans Property Initiative, an exciting effort to revitalize the U.S. Highway 85 Corridor through environmental assessment, planning support, and economic development. Thanks to a \$500,000 Community-wide Assessment Grant from the Environmental Protection Agency (EPA), this initiative provides commercial and industrial property owners with the resources they need to unlock new opportunities for growth and investment.

At the heart of the program is the revitalization of brownfields—properties where real or perceived environmental challenges are hindering redevelopment. Through FREE environmental site assessments (ESAs) and customized planning support, the Evans Property Initiative empowers commercial and industrial property owners to turn underutilized sites into thriving community assets.

Brownfields boundary map

Work underway on HWY 85/13th St.

Scan the QR Code
below to learn more!

GET INVOLVED

If you own a commercial and industrial property along or near Highway 85, now is the time to take advantage of free resources that can enhance your property's value and marketability. Visit www.reimagine85.org to learn more about the initiative and discover how you can benefit.

Together, we can reimagine Highway 85 as a hub for innovation, growth, and environmental stewardship.

PROGRAM GOALS AND PROGRESS

The initiative is designed to:

- Create a Property Inventory – Mapping sites along Highway 85 to identify redevelopment opportunities.
- Engage the Community – Collaborating with property owners, businesses, and residents to understand needs and future aspirations.
- Provide Free Support – Offering ESAs, site planning, and targeted cleanup strategies to facilitate redevelopment.
- Promote Smart Growth – Aligning with land use updates to encourage revitalization within the Highway 85 overlay district.

To date, the initiative has successfully assessed key properties, fostered stakeholder collaboration, and supported efforts to repurpose underutilized sites—all of which contribute to increased property values and a more vibrant, sustainable community.

November 2025

Cold Weather Tips

According to the American Veterinary Medical Association (AVMA), temperatures below just 45 degrees can cause health problems for some pets. The AVMA states, "It's a common belief that dogs and cats are more resistant than people to cold weather because of their fur, but it's untrue. Like people, cats and dogs are susceptible to frostbite and hypothermia and generally should be kept inside. Longer-haired and thick-coated dog breeds, such as huskies and other dogs bred for colder climates, are more tolerant of cold weather; but no pet should be left outside for long periods in below-freezing weather."

Other cold weather pet protection tips from the AVMA include wiping off your dogs paws, as well as their chest and belly for short-legged dogs, after walks as they could pick up dangerous de-icing chemicals from the ground. Make sure your dog has a collar and is micro-chipped as if they wander away, cold and snow can limit their sense of smell and thus their ability to potentially find their way back home if lost.

With cold temperatures here, the Evans Police Department is reminding residents to make their vehicles a hard target for theft.

During winter months, car thieves often target "puffers," or vehicles left running and unattended as they warm up. This nickname stems from the puff of the exhaust visible during cold weather. Thieves often search for puffers because they are easy targets and then use these stolen cars to commit other crimes.

In Colorado, puffing is Class B traffic infraction. This means that in addition to being the victim of a theft, a vehicle owner can be fined for leaving their car running while unattended. The only exception to this law relates to vehicles with a remote ignition system.

The Evans Police Department is asking residents to either (1) stay with their vehicle when it's warming up or (2) use a remote start, lock the doors, and take the key with them.

New Utility Payment Options!

Expanded ways to make bill pay easy, fast & safe

Method	Benefits	Cost
Electronic – call, text, online	Can do it anytime, from anywhere. 100% safe and secure and available 24 hours a day!	\$0.95 (EFT) or 2.95% (\$2.95 min.) for credit/debit card
In person or by mail	Visit us! Don't pay fees!	FREE! if paying with cash/check/ money order.

Paying utility bills is no fun, so we're making it faster, easier, and more convenient.

Choose the method that's best for you!

Some things to keep in mind:

- Our new system has changed account numbers; the zeros in front have been removed and a -0 has been added to the end.
- If you old account number was 00000045829 it now will be 45839-0.
- If paying via mail, please include your bill stub to reduce the risk of a processing error.

Scan the QR Code to visit The City of Evans website and register for text or online payments today!

¡Nuevas opciones de pago de servicios públicos!

Formas ampliadas de hacer que el pago de facturas sea fácil, rápido y seguro

Método	Beneficios	Costar
Electrónico: llamada, mensaje de texto, en línea	Puede hacerlo en cualquier momento y desde cualquier lugar. ¡100% seguro y disponible las 24 horas del día!	\$0.95 (EFT) o 2.95% (\$2.95 min.) para tarjeta de crédito/débito
En persona o por correo	¡Visítanos! ¡No pagues cuotas!	¡GRATIS! si paga en efectivo/cheque/giro postal.

Pagar las facturas de servicios públicos no es divertido, por lo que lo estamos haciendo más rápido, más fácil y más conveniente.

¡Elige el método que mejor se adapte a ti!

Algunas cosas a tener en cuenta:

- Nuestro nuevo sistema ha cambiado los números de cuenta; Se han eliminado los ceros delante y se ha añadido un -0 al final.
- Si su número de cuenta anterior era 00000045829 ahora será 45839-0.
- Si paga por correo, incluya el talón de su factura para reducir el riesgo de un error de procesamiento.

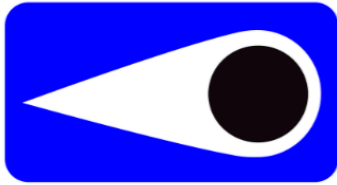

¡Escanee el código QR para visitar el sitio web de la ciudad de Evans y regístrese para pagos por mensaje de texto o en línea hoy!

Neighborhood Watch

**NEIGHBORHOOD
WATCH**

PROGRAM IN FORCE

**ALL SUSPICIOUS
PERSONS & ACTIVITIES
ARE IMMEDIATELY
REPORTED TO
LAW ENFORCEMENT**

Neighborhood Watch is a program where community members, in cooperation with the Evans Police Department, participate in the detection and deterrence of crime in their neighborhoods.

The Neighborhood Watch Program facilitates communication between you and your neighbors. Additionally, it develops a partnership between our City police force and citizens to help enhance the safety and security of our neighborhoods.

As citizens of the Evans community, we share the common goal of enhancing the quality of life within all of our neighborhoods

Keeping you and your family as safe as possible is a continued goal of the Evans Police Department.

Our success in reaching this goal depends greatly on your efforts as well.

If you would like to organize a Neighborhood Watch Program, please reach out to Teresa McClatchey at 970-590-1504 or tmclatchey@evanscolorado.gov

Evans Police Department

Thefts From Vehicles Increasing

The **Evans Police Department** has seen a noticeable uptick in thefts from parked cars recently. In some of the cases, the vehicles were locked, and the thieves broke into the car to remove personal items. In the majority of cases, however, the vehicles were left unlocked, allowing the thieves to simply help themselves to whatever items of value they could find in the vehicles. The most frequent types of personal items stolen include wallets, purses, car stereos, driver's licenses, insurance and registration documents, laptop computers, cell phones, license plates and garage door opener remotes which can later be used to access the home. Not only is

the theft of personal items difficult for the victim, but many of these stolen items can be used in the commission of other, often times more serious, crimes including credit card fraud and identity theft, to name a few.

Criminal vehicle trespass, more commonly called car break-ins, usually occur in clusters within neighborhoods. Thieves will target a specific neighborhood one night and the next night or a few nights later, move on and hit other neighborhoods. The result is that cars parked anywhere throughout the City can become targets for theft. While this type of crime is disturbing and the Evans PD is doing all they can to prevent thefts, the good news is there are a lot of easy, common sense actions residents and their visitors can take to reduce the chances of becoming a victim.

The Evans Police Department is encouraging residents to:

- **Lock your car doors and seal your windows.** As simple as it sounds, you would be surprised how many thefts occur from vehicles left unlocked or with the windows open overnight.
- **Use all the safety features with which your vehicle is equipped.** Make sure to activate your alarm and investigate quickly if you hear your car alarm go off while you are away from it.
- **Do not leave anything of value in your car.** Leaving your purse or wallet, cell phone or laptop, your golf clubs or gym bag in plain view makes it an easy target for thieves. Even a zipped-up gym bag or backpack can be tempting for a thief as they cannot be sure if the bag contains dirty exercise clothes or something far more valuable like your bankbook, membership cards, small entertainment devices or expensive tools.
- **Park in a well-lit, secure area visible to others.** Thieves prefer to break into vehicles parked in dark and secluded areas and avoid well-lit areas as much as possible.
- **Form a neighborhood watch group.** Banding together with your neighbors helps provide cover for when you, or your neighbors, are away. See page 6 for more.
- **Report the Crime.** If you do find yourself a victim, report the crime immediately to the Evans PD.

Building Bulletin

The weather is getting chilly and it's time to get cozy by the fireplace! If you are looking to add a wood burning stove or fireplace insert to your home, here are some tips to stay warm and safe:

- A permit is required to install a woodburning stove or fireplace insert.
- Wood burning stove and fireplace installation codes are heavily dictated by the particular manufacturer and their required venting. Ensure the work is inspected by a City inspector.
- Portable/non-permanent “fireplaces” and heaters do not require permits but do have safety measures to follow.
- Always make certain your home has working smoke and carbon monoxide detectors.
- Have fireplaces, chimneys and other venting inspected and cleaned regularly.

From our friends at Waste Management

Halloween Recycling Tip

Trash Candy Wrappers

Candy wrappers are made from a mix of plastics and metal, and thus are not recyclable. Candy wrappers belong in the trash.

Source: WM

September Recycling Benefits City of Evans

In September, we recycled 19 tons of bottles, cans, paper and cardboard.

This month's recycling efforts saved the following resources:

230 Mature Trees

Enough avoided timber resource use to produce 3,918,000 sheets of printing and copy paper!

42 Cubic Yards of Landfill Airspace

Enough avoided airspace to fulfill the annual municipal waste disposal needs for 54 people!

36,663 Kw-Hrs of Electricity

Enough avoided power use to fulfill the annual electricity needs of 3 homes!

Avoided 41 Metric Tons (MTCO2E) of GHG Emissions

This GHG reduction is equivalent to removing annual emissions from 8 passenger vehicles!

78,690 Gallons of Water

Enough avoided water use to meet the daily fresh water needs of 1,049 people!

Sources: U.S. Environmental Protection Agency, U.S. Energy Information Administration, Environmental Paper Network-Paper Calculator V4.0, Domtar Paper, Gaylord Corporation, U.S. Forest Products Laboratory, and Waste Management. © Waste Management 2023

Notes: GHG = Greenhouse Gas; MTCO2E = Metric Tons of Carbon Dioxide Equivalent

This Halloween, remember that candy wrappers are NOT recyclable and should be thrown in the trash.

RECYCLING IS REAL

Bottle = Shirt

The plastic water bottles you recycle can be made into thread for fabric used to make clothing, backpacks, sneakers and more.

Paper = Paperboard

The clean paper you recycle is pulped and made into paperboard packaging for cereal, crackers and other household goods.

Jug = Carpet

The thick multi-gallon plastic water jugs you recycle can be made into carpet for homes and businesses.

Can = Can

The aluminum beverage cans you recycle today will be back on the shelf as a new can in about 60 days.

RECYCLE RIGHT

Only place the following
in your recycle cart

- Clean cardboard
- Paper
- Metal cans
- Glass bottles and jars
- Plastic containers shaped like bottles, jars, jugs and tubs.

Do **NOT** put any of these items in your recycle cart

- Food or liquids
- Plastic bags
- Batteries, electronics
- Clothing or carpet
- Paper towels, cups, napkins or plates
- Concrete or wood
- Styrofoam, scrap metal
- Yard waste

EL RECICLAJE ES REAL

Botella = Camisa

Las botellas de agua de plástico que reciclas se pueden convertir en hilo para telas que se usan para hacer ropa, mochilas, zapatillas y más.

Papel = Cartón

El papel limpio que recicla se convierte en pulpa y se transforma en envases de cartón para cereales, galletas y otros productos para el hogar.

Jarra = Alfombra

Las gruesas jarras de agua de plástico de varios galones que reciclas se pueden convertir en alfombras para hogares y negocios.

Puede = Puede

Las latas de aluminio para bebidas que reciclas hoy volverán a estar disponibles en los estantes como latas nuevas en aproximadamente 60 días.

RECYCLE RIGHT

Coloque únicamente lo siguiente en su contenedor de reciclaje

- Cartón limpio
- Papel
- Latas de metal
- Botellas y frascos de vidrio
- Recipientes de plástico con forma de botellas, frascos, jarras y tinas

NO coloque ninguno de estos artículos en su carrito de reciclaje.

- Alimentos o líquidos
- Bolsas de plástico
- Baterías, electrónica
- Ropa o alfombra
- Toallas de papel, vasos, servilletas o platos
- Hormigón o madera
- Poliestireno expandido, chatarra
- Residuos de jardín

DIAPER DRIVE

COLLECTING NOVEMBER 3 - NOVEMBER 16

Outdoor Street Lighting

How to report a Street Light Outage

What you will need to report a street light outage

The Pole number where the light is located—the pole number will be on the street side of the pole and will either have two numbers over two, or three over three.

For Example

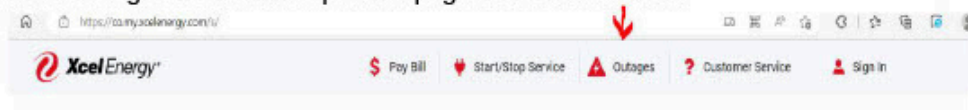

Xcel Energy relies on the information you provide so please be as specific as possible. If the pole does not have a number, then please provide the address behind the pole, or a description of where the pole is located.

For example: The light is located on the Southwest corner of E. 16th Ave and Pennsylvania.

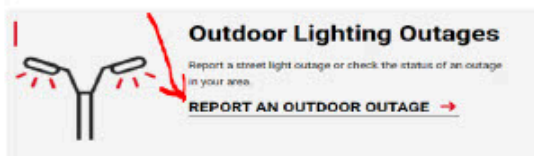

Where to report a Street light Outage?

Go to <https://co.my.xcelenergy.com/s/>

FIRST: Select the Outages icon at the top of the page as indicated below

NEXT: Scroll to the bottom of the page and look for **Outdoor lighting Outages** and click on **REPORT AN OUTDOOR OUTAGE** as seen below

Next: Click on **Report it now** →

Finally: Enter your information.

1. Your name
2. Your email address: This is used to inform you when the light is repaired.
3. Contact phone number: This will be used to contact you should we have any questions regarding your repair request.

Pole information: ****If an outdoor lighting pole is broken, please call Xcel Energy Customer Care at 1-800-895-4999.

1. Select the problem with the light
2. Pole number: This is where you would enter the two over two or three over three numbers on the pole.
3. Light location: This is the Address where the light is located. Please provide as much specific information as you can.
4. Comments: Provide any additional information that you believe would be helpful

Lastly: You may Add more outages if there are more than one or hit the submit button.

Once you submit the request you will be provided a confirmation number. Keep this number to refer back to if needed.

*****Please note:** Repairs are made in 5 business days unless there is more than routine maintenance is required.
