Biosolids Sampling Agreement

By signing below, on behalf of my Company, I acknowledge and agree as follows:

I understand that my company is not required to adhere CDPHE/EPA Means and Methods for the collection and analysis of biosolids samples, if any, for the bidding process. However, if my company chooses to collect samples, and such samples are transported and stored using CDPHE/EPA approved means and methods and the analysis is performed by an EPA certified lab using EPA approved methods, then I agree that all reports/results from such analysis shall be provided to the City at no cost to the City, regardless of whether the collecting entity (or bidding company) chooses to submit a bid or is the awarded bidder.
