## From the Evans family to yours – Happy Holidays

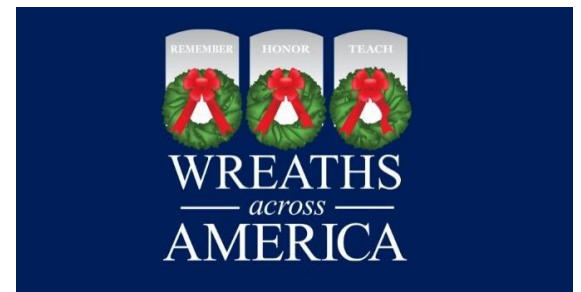

On Nov. 29, Santa Cops board members were at Sam's Club and Burlington for their annual toy drive, and it was incredible! We appreciate everyone who stopped by and contributed to help make this holiday season brighter for local children in need. A special shout out to the Horse Play Mustang Club for their generous donation of toys and bikes!

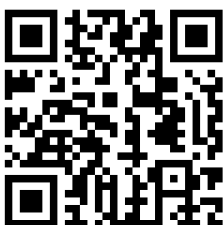

If you were unable to attend but want to donate, new/unwrapped gifts can be dropped off at the Evans Police Department. Questions, contact Teresa McClatchey at 970-590-1504. Together, we're truly making a difference!

It was so wonderful to see the Evans Community come out together Nov. 29 for the annual Holiday Lighting Ceremony. We hope everyone enjoyed the festivities as much as we did!

National Wreaths Across America Day 2025 is set for Saturday, Dec. 13. There are 199 identified veterans who are laid to rest in the Evans Cemetery. Please join us at 10am to honor our county's heroes.

November 6, 2025

To the Citizens of Evans,

Thank you for your trust and support in passing—and making permanent—the Road Ahead tax. Your vote wasn't just about roads and infrastructure; it was a vote of confidence in the future of our city and in the work we're doing together. As your mayor and a proud member of this community, I'm deeply grateful for your belief in our shared vision. This funding will allow us to continue building safer, smoother, and more reliable streets that serve every neighborhood and every family in Evans.

I've always believed that Evans is more than just a place on the map—it's a community built on trust, resilience, and a shared commitment to progress. Your support reaffirms that belief. Thank you for standing with us and for helping pave the way—literally and figuratively—for a stronger, more connected Evans. I'm honored to serve you, and I look forward to the continued journey ahead.

Warm Regards,

Mark Clark, Mayor  
City of Evans, Colorado

December 2025

## City Council Update – November 2025

In November, the Evans City Council approved a pair of measures that will have a considerable public impact. The council voted unanimously to approve a contract amendment with FCI Constructors, the general contractor for the new Evans Police Station, to lock in the guaranteed maximum price of \$24,289,214 to construct the new police station and to renovate the existing space used by police in the northeastern portion of the Evans Community Complex for use by city administration. This price is considerably below the \$35 million budgeted from the domestic food tax fund and represents a substantial savings for tax payers.

The Council also voted unanimously to approve a contract with Mountain Constructors to complete the culvert replacement and road repair on 49<sup>th</sup> Street near 35<sup>th</sup> Avenue. The contract requires the project to be completed in a condensed timeframe – full completion on or before March 15, 2026 – so the Evans Ditch can convey the full decree of water as irrigation season begins. Work will begin in mid-December and 49<sup>th</sup> Street will remain closed until the project is completed.

The council also received a lengthy and detailed update from the city's Public Works & Utilities Director regarding the need to address deferred maintenance that is impacting ditch water supply to East Evans and Riverside Park. In short, a lateral that conveys the water is failing across a considerable segment and will require a further investigation before determining the scope of required repairs. Initial estimates indicate that repairs could range from \$650,000 to over \$6 million; a clearer picture will be available in the near future.

During the November 18<sup>th</sup> City Council Meeting, the Evans Police Department held a promotional ceremony recognizing three recent promotions.

Rob Wardlaw and Jon Trahan were each promoted to the rank of Commander. Commander Wardlaw will oversee Patrol Operations, while Commander Trahan will oversee Administrative Operations.

Todd Ediger was promoted to the rank of Sergeant.

Please join us in congratulating these gentlemen on their well-deserved promotions!

December 2025

## City of Evans Major Projects Update

On Nov. 19, the city hosted a grand opening ceremony at Renaissance Park to celebrate the completion of the new playground at Renaissance Park, the completion of the brand new Hunter's Reserve Park, the first phase of the Evans Ditch Trail and completion of Arrowhead Open Space. Mayor Mark Clark (center) was joined by Councilmen Jeff Crabtree (left) and Chris Delaney as they cut the ribbon to officially open the park. The City of Evans has invested revenue from Park Impact Fees from new development and Conservation Trust proceeds from the Colorado Lottery to build these new parks, open space, and trail amenities. Investments like these improve quality of life for residents, provide opportunities for people of all ages to participate in healthy activities, raise property values, help attract new development, and improve the overall aesthetics of our community.

In April, a culvert that conveys water from the Evans Ditch under 49th Street in the vicinity of 35th Avenue suffered a catastrophic failure forcing a road closure. At the Evans City Council meeting on Nov. 3, unanimous approval was given to a contract with Mountain Constructors for the needed repairs that will replace the culvert and construct a new roadway segment. Final design work will be completed in the coming weeks with work to begin immediately afterwards. A contractually obligated completion date is set on or before March 15, 2026. Thank you for your patience and understanding.

Construction of the new Evans Police Station is progressing rapidly and as planned. The foundation has been laid and soon construction will be going vertical. FCI Constructors, the general contractor for the project, will be working regardless of the weather and we plan to open next fall!

# REIMAGINE 85

## Evans Property Initiative

### INTRODUCING THE EVANS PROPERTY INITIATIVE: TRANSFORMING THE HIGHWAY 85 CORRIDOR

The City of Evans is thrilled to launch the Evans Property Initiative, an exciting effort to revitalize the U.S. Highway 85 Corridor through environmental assessment, planning support, and economic development. Thanks to a \$500,000 Community-wide Assessment Grant from the Environmental Protection Agency (EPA), this initiative provides commercial and industrial property owners with the resources they need to unlock new opportunities for growth and investment.

At the heart of the program is the revitalization of brownfields—properties where real or perceived environmental challenges are hindering redevelopment. Through FREE environmental site assessments (ESAs) and customized planning support, the Evans Property Initiative empowers commercial and industrial property owners to turn underutilized sites into thriving community assets.

*Brownfields boundary map*

*Work underway on HWY 85/13th St.*

Scan the QR Code  
below to learn more!

### GET INVOLVED

If you own a commercial and industrial property along or near Highway 85, now is the time to take advantage of free resources that can enhance your property's value and marketability. Visit [www.reimagine85.org](http://www.reimagine85.org) to learn more about the initiative and discover how you can benefit.

Together, we can reimagine Highway 85 as a hub for innovation, growth, and environmental stewardship.

### PROGRAM GOALS AND PROGRESS

The initiative is designed to:

- Create a Property Inventory – Mapping sites along Highway 85 to identify redevelopment opportunities.
- Engage the Community – Collaborating with property owners, businesses, and residents to understand needs and future aspirations.
- Provide Free Support – Offering ESAs, site planning, and targeted cleanup strategies to facilitate redevelopment.
- Promote Smart Growth – Aligning with land use updates to encourage revitalization within the Highway 85 overlay district.

To date, the initiative has successfully assessed key properties, fostered stakeholder collaboration, and supported efforts to repurpose underutilized sites—all of which contribute to increased property values and a more vibrant, sustainable community.

December 2025

## Cold Weather Tips

According to the American Veterinary Medical Association (AVMA), temperatures below just 45 degrees can cause health problems for some pets. The AVMA states, "It's a common belief that dogs and cats are more resistant than people to cold weather because of their fur, but it's untrue. Like people, cats and dogs are susceptible to frostbite and hypothermia and generally should be kept inside. Longer-haired and thick-coated dog breeds, such as huskies and other dogs bred for colder climates, are more tolerant of cold weather; but no pet should be left outside for long periods in below-freezing weather."

Other cold weather pet protection tips from the AVMA include wiping off your dogs paws, as well as their chest and belly for short-legged dogs, after walks as they could pick up dangerous de-icing chemicals from the ground. Make sure your dog has a collar and is micro-chipped as if they wander away, cold and snow can limit their sense of smell and thus their ability to potentially find their way back home if lost.

With cold temperatures here, the Evans Police Department is reminding residents to make their vehicles a hard target for theft.

During winter months, car thieves often target "puffers," or vehicles left running and unattended as they warm up. This nickname stems from the puff of the exhaust visible during cold weather. Thieves often search for puffers because they are easy targets and then use these stolen cars to commit other crimes.

In Colorado, puffing is Class B traffic infraction. This means that in addition to being the victim of a theft, a vehicle owner can be fined for leaving their car running while unattended. The only exception to this law relates to vehicles with a remote ignition system.

The Evans Police Department is asking residents to either (1) stay with their vehicle when it's warming up or (2) use a remote start, lock the doors, and take the key with them.

# New Utility Payment Options!

Expanded ways to make bill pay easy, fast & safe

Method	Benefits	Cost
Electronic – call, text, online	Can do it anytime, from anywhere. 100% safe and secure and available 24 hours a day!	\$0.95 (EFT) or 2.95% (\$2.95 min.) for credit/debit card
In person or by mail	Visit us! Don't pay fees!	FREE! if paying with cash/check/ money order.

Paying utility bills is no fun, so we're making it faster, easier, and more convenient.

**Choose the method that's best for you!**

**Some things to keep in mind:**

- Our new system has changed account numbers; the zeros in front have been removed and a -0 has been added to the end.
- If you old account number was 00000045829 it now will be 45839-0.
- If paying via mail, please include your bill stub to reduce the risk of a processing error.

Scan the QR Code to visit The City of Evans website and register for text or online payments today!

## ¡Nuevas opciones de pago de servicios públicos!

Formas ampliadas de hacer que el pago de facturas sea fácil, rápido y seguro

Método	Beneficios	Costar
Electrónico: llamada, mensaje de texto, en línea	Puede hacerlo en cualquier momento y desde cualquier lugar. ¡100% seguro y disponible las 24 horas del día!	\$0.95 (EFT) o 2.95% (\$2.95 min.) para tarjeta de crédito/débito
En persona o por correo	¡Visítanos! ¡No pagues cuotas!	¡GRATIS! si paga en efectivo/cheque/giro postal.

Pagar las facturas de servicios públicos no es divertido, por lo que lo estamos haciendo más rápido, más fácil y más conveniente.

**¡Elige el método que mejor se adapte a ti!**

#### Algunas cosas a tener en cuenta:

- Nuestro nuevo sistema ha cambiado los números de cuenta; Se han eliminado los ceros delante y se ha añadido un -0 al final.
- Si su número de cuenta anterior era 00000045829 ahora será 45839-0.
- Si paga por correo, incluya el talón de su factura para reducir el riesgo de un error de procesamiento.

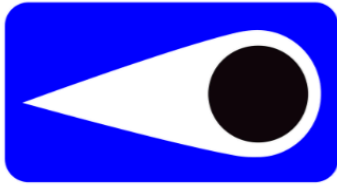

¡Escanee el código QR para visitar el sitio web de la ciudad de Evans y regístrese para pagos por mensaje de texto o en línea hoy!

# Neighborhood Watch

**NEIGHBORHOOD  
WATCH**

**PROGRAM IN FORCE**

**ALL SUSPICIOUS  
PERSONS & ACTIVITIES  
ARE IMMEDIATELY  
REPORTED TO  
LAW ENFORCEMENT**

Neighborhood Watch is a program where community members, in cooperation with the Evans Police Department, participate in the detection and deterrence of crime in their neighborhoods.

The Neighborhood Watch Program facilitates communication between you and your neighbors. Additionally, it develops a partnership between our City police force and citizens to help enhance the safety and security of our neighborhoods.

**As citizens of the Evans community, we share the common goal of enhancing the quality of life within all of our neighborhoods**

Keeping you and your family as safe as possible is a continued goal of the Evans Police Department.

Our success in reaching this goal depends greatly on your efforts as well.

If you would like to organize a Neighborhood Watch Program, please reach out to Teresa McClatchey at 970-590-1504 or [tmclatchey@evanscolorado.gov](mailto:tmclatchey@evanscolorado.gov)

## Evans Police Department

# Building Bulletin

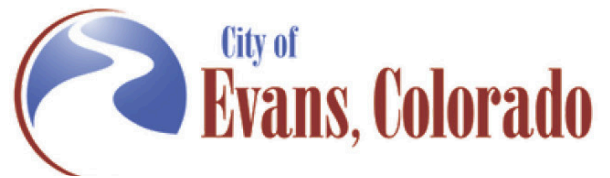

The City of Evans wants you to stay warm this winter! However there are a few reasons that gas may be shut off, including when Atmos detects a leak. Here is how to get your gas turned back on quickly and safely:

- A plumber should complete a pressure test and leave the gas line on the "TEST" status
- A permit must be obtained for a City inspector to then inspect the "TEST" status (the City inspector will not perform the test itself).
- The permit has a flat fee of \$57.50 and can be obtained in just a few minutes via our online portal with Citizenserve.
- Same day inspections must be requested prior to 5pm. Inspections are completed as quickly as possible, however same day inspections are not always guaranteed.
- Once the inspection has passed, either the homeowner or plumber must contact Atmos to have the gas turned back on.

# From our friends at Waste Management

## RECYCLING TIP

# FLATTEN CARDBOARD BOXES

Make efficient use of cart space and ensure the lid can be fully closed.

Source: WM

## WM October Recycling Benefits City of Evans

In October, we recycled 18 tons of bottles, cans, paper and cardboard.

This month's recycling efforts saved the following resources:

### 223 Mature Trees

Enough avoided timber resource use to produce 3,784,400 sheets of printing and copy paper!

### 41 Cubic Yards of Landfill Airspace

Enough avoided airspace to fulfill the annual municipal waste disposal needs for 52 people!

### 35,413 Kw-Hrs of Electricity

Enough avoided power use to fulfill the annual electricity needs of 3 homes!

### Avoided 39 Metric Tons (MTCO<sub>2</sub>E) of GHG Emissions

This GHG reduction is equivalent to removing annual emissions from 8 passenger vehicles!

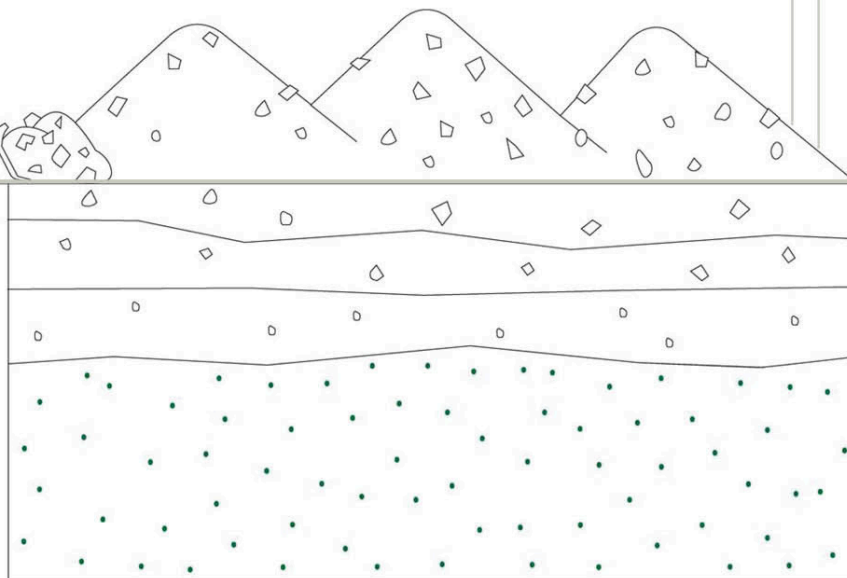

### 76,006 Gallons of Water

Enough avoided water use to meet the daily fresh water needs of 1,013 people!

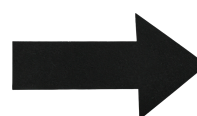

Sources: U.S. Environmental Protection Agency, U.S. Energy Information Administration, Environmental Paper Network-Paper Calculator V4.0, Donnar Paper, Gaylord Corporation, U.S. Forest Products Laboratory, and Waste Management. © Waste Management 2023.  
Notes: GHG = Greenhouse Gas; MTCO<sub>2</sub>E = Metric Tons of Carbon Dioxide Equivalent

# LANDFILL

**DID YOU KNOW:** A landfill is where the materials you put in the trash are taken to be disposed. WM landfills are designed with barrier layers installed deep underground to protect the nearby land and groundwater. At the end of each workday, workers use bulldozers to spread a 6-inch layer of organic materials over where trash was unloaded to minimize dust, odor and deter pests.

**WM is now accepting paper and plastic cups  
in the Evans recycling program. Scan the QR  
code to the right to learn more!**

## RECYCLING IS REAL

### Bottle = Shirt

The plastic water bottles you recycle can be made into thread for fabric used to make clothing, backpacks, sneakers and more.

### Paper = Paperboard

The clean paper you recycle is pulped and made into paperboard packaging for cereal, crackers and other household goods.

### Jug = Carpet

The thick multi-gallon plastic water jugs you recycle can be made into carpet for homes and businesses.

### Can = Can

The aluminum beverage cans you recycle today will be back on the shelf as a new can in about 60 days.

## RECYCLE RIGHT

Only place the following  
in your recycle cart

- Clean cardboard
- Paper
- Metal cans
- Glass bottles and jars
- Plastic containers shaped like bottles, jars, jugs and tubs.

Do **NOT** put any of these  
items in your recycle cart

- Food or liquids
- Plastic bags
- Batteries, electronics
- Clothing or carpet
- Paper towels, cups, napkins or plates
- Concrete or wood
- Styrofoam, scrap metal
- Yard waste

## EL RECICLAJE ES REAL

### Botella = Camisa

Las botellas de agua de plástico que reciclas se pueden convertir en hilo para telas que se usan para hacer ropa, mochilas, zapatillas y más.

### Papel = Cartón

El papel limpio que recicla se convierte en pulpa y se transforma en envases de cartón para cereales, galletas y otros productos para el hogar.

### Jarra = Alfombra

Las gruesas jarras de agua de plástico de varios galones que reciclas se pueden convertir en alfombras para hogares y negocios.

### Puede = Puede

Las latas de aluminio para bebidas que reciclas hoy volverán a estar disponibles en los estantes como latas nuevas en aproximadamente 60 días.

## RECYCLE RIGHT

Coloque únicamente lo siguiente en su contenedor de reciclaje

- Cartón limpio
- Papel
- Latas de metal
- Botellas y frascos de vidrio
- Recipientes de plástico con forma de botellas, frascos, jarras y tinas

**NO** coloque ninguno de estos artículos en su carrito de reciclaje.

- Alimentos o líquidos
- Bolsas de plástico
- Baterías, electrónica
- Ropa o alfombra
- Toallas de papel, vasos, servilletas o platos
- Hormigón o madera
- Poliestireno expandido, chatarra
- Residuos de jardín

## Outdoor Street Lighting

### How to report a Street Light Outage

#### What you will need to report a street light outage

The Pole number where the light is located—the pole number will be on the street side of the pole and will either have two numbers over two, or three over three.

For Example

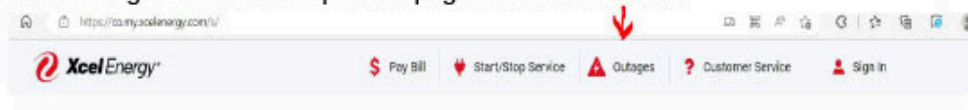

Xcel Energy relies on the information you provide so please be as specific as possible. If the pole does not have a number, then please provide the address behind the pole, or a description of where the pole is located.

For example: The light is located on the Southwest corner of E. 16th Ave and Pennsylvania.

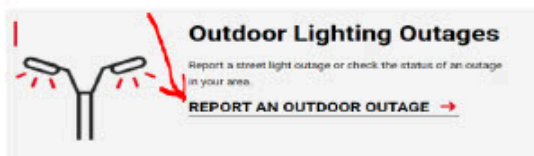

#### Where to report a Street light Outage?

Go to <https://co.my.xcelenergy.com/s/>

**FIRST:** Select the Outages icon at the top of the page as indicated below

**NEXT:** Scroll to the bottom of the page and look for **Outdoor lighting Outages** and click on **REPORT AN OUTDOOR OUTAGE** as seen below

**Next:** Click on **Report it now** →

**Finally:** Enter your information.

1. Your name
2. Your email address: This is used to inform you when the light is repaired.
3. Contact phone number: This will be used to contact you should we have any questions regarding your repair request.

**Pole information:** \*\*\*\*If an outdoor lighting pole is broken, please call Xcel Energy Customer Care at 1-800-895-4999.

1. Select the problem with the light
2. Pole number: This is where you would enter the two over two or three over three numbers on the pole.
3. Light location: This is the Address where the light is located. Please provide as much specific information as you can.
4. Comments: Provide any additional information that you believe would be helpful

**Lastly:** You may Add more outages if there are more than one or hit the submit button.

Once you submit the request you will be provided a confirmation number. Keep this number to refer back to if needed.

**\*\*\*Please note:** Repairs are made in 5 business days unless there is more than routine maintenance is required.

**Need assistance?**

**Call 1-800-895-4999**

**For 24-hour Customer Service**
