

## City accepting applications for Parks & Recreation Advisory Board

The City of Evans is seeking residents to serve on the Parks & Recreation Advisory Board, a volunteer opportunity to help shape the future of parks, trails, and recreational programs.

The board meets monthly on the third Wednesday at 6:00 PM and advises City Council and staff on planning, policies, and improvements related to parks, open space, and recreation facilities. Members also provide input on long-range plans, programming, and future development. Visit the city website for more information.

## City completes lane striping work on 37<sup>th</sup> and 42<sup>nd</sup> Streets

If you've traveled along 37th Street or 42nd Street recently, you may have noticed new, high-visibility lane striping on two of Evans' primary east-west corridors. This much-needed improvement enhances lane visibility, supports safer travel for motorists, and improves overall traffic flow along these busy roadways.

The project was completed in a cost-effective manner and without causing traffic disruptions, thereby delivering immediate safety benefits with minimal inconvenience to the public.

Looking ahead, the City is evaluating the installation of thermoplastic turning arrows in designated turn lanes. These durable, highly visible markings will provide clearer guidance for turning movements and further enhance intersection safety.

Newly Striped Lanes on 42<sup>nd</sup> Street

## Community Clean Up Event set for Saturday, April 25

Spring cleanup event is scheduled for Saturday, April 25 from 8am to 4pm at 3323 1<sup>st</sup> Ave. Evans residents (with proof) can purchase vouchers for \$15/each at the Evans Community Complex during normal business hours or at the gate the day of the event. See **page 5** for more information.

## Drug Take Back Day on Saturday, April 25, 10am to 2pm at Sam's Club

National Drug Take Back Day is a safe, convenient way to dispose of unused or expired medications. Proper disposal helps prevent misuse and protects the environment. If you have expired or unused medications to dispose of, please come by for this free event. See **page 10** for more information.

Figure 1: Approximate Area for Phasing of 23<sup>rd</sup> Ave Outfall

## City Council votes to redirect funds to 23<sup>rd</sup> Avenue Stormwater Project

The Evans City Council approved a measure to terminate a contract for the construction of the East Side Storm Sewer (ESSS), and initiated plans to redirect the funding to the design and construction of stormwater infrastructure from the Ridge Ponds to an outfall at the South Platte River. The ESSS, if constructed, would have been capped at both ends until such time as an outfall could have been built further downstream. The City Council, after hearing input from staff, decided a better use of the funds – provided by the State of Colorado for infrastructure work – would be building these improvements that will provide immediate benefits to stormwater conveyance. See image to the left.

Evans Chief of Police Randall Darlin presented information at the Council Work Session on March 3 related to the installation of Automated Vehicle Identification Systems (AVIS), also known as “speed cameras” in the city. Chief Darlin outlined for the council how the Colorado legislature amended state statute CRS 42-4-110.5 to allow the expanded use of AVIS technology by municipalities to improve traffic safety.

The Police Department put out a request for proposals and has recommended contract negotiations begin with Sensys Gatso, a step on which the council gave the green light at the March 3 meeting. While additional steps will be taken before the cameras are installed, deciding to implement this program will go a long way towards improving motorist and pedestrian safety in the City of Evans.

**City council meetings are live-streamed on our YouTube channel, scan the QR code to watch live and archived meetings.**

At the March 17 meeting, the council gave unanimous approval to a resolution that authorized city staff to submit a grand application to the Colorado Department of Local Affairs (DOLA) to conduct a housing needs assessment, consider relevant updates to the comprehensive plan, and develop a Housing Action Plan. This information will help the city better understand current housing conditions and identify potential gaps in the housing supply.

**New Evans Police Station construction progressing rapidly**

The construction on the new Evans Police Station is progressing quickly. By the first of April, work has begun on the interior of the facility, with HVAC and fire suppression systems underway, concrete work is nearly complete and dry wall has been put up in the southern portion of the building. This facility will be instrumental in improving public safety in the city. Officers will have more work and training space, their safety, and that of guests to the station, will be increased considerably. The state of the art facility will help with PD retention and recruitment, bringing in the best officers and ensuring the our current officers stay with the city they know so well.

**Huge Thank you to Sam's Club for their very generous donation of eggs for our community!**

A huge thank you to Sam's Club for their generous donation of eggs to our community!

Because of their support, we were able to help stock pantry shelves at several schools across Evans, ensuring students and their families have access to nutritious food. The donation also reached families in the Centennial Village, Terrace Park, and Bella Vista communities.

Our officers and Evans PD staff were also out in the community distributing eggs directly to families at Centennial Elementary School and Terrace Park, helping make sure this support got into the hands of those who need it most.

We are so grateful for partnerships like this that make a real difference for our families. Thank you for helping us support our community!

Brand new playground at Renaissance Park

## Explore Evans Parks This Spring and Summer

As the weather warms up, it's the perfect time to get outside and enjoy everything the City of Evans parks system has to offer. With a wide variety of parks located throughout the community, Evans provides residents and visitors with convenient access to quality outdoor spaces designed for recreation, relaxation, and connection.

From small neighborhood parks to larger community destinations, each park offers its own unique character and amenities. Whether you're looking for a place to stay active, gather with friends and family, or simply enjoy some fresh air, Evans parks provide welcoming, well-maintained spaces for all ages and interests.

## Amenities and activities for all ages and all abilities!

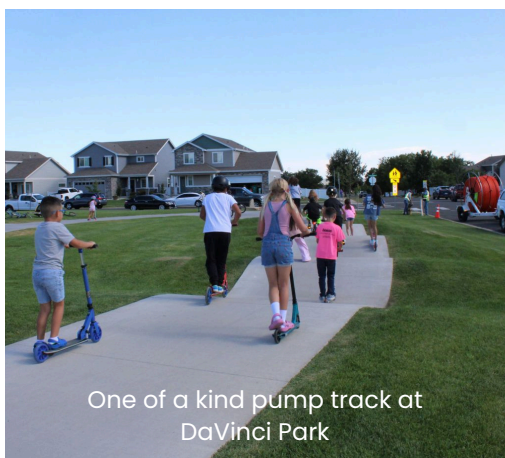

From neighborhood parks to larger community spaces, Evans parks feature:

- Basketball and tennis courts
- Ballfields and multi-use athletic fields
- Sand volleyball courts and horseshoe pits
- Playgrounds and nature-inspired play areas
- Walking paths, open green space, and scenic spots
- A pump track at DaVinci Park
- Off-leash fun at Freedom Dog Park
- Disc golf and more

Disc golf and the two playgrounds at Pioneer Park

Beyond these amenities, the parks system also supports everyday quality of life in Evans. Parks provide safe spaces for children to play, opportunities for residents to stay physically active, and places where neighbors can gather and build community. Many parks include shaded areas, picnic spaces, and open lawns that are ideal for everything from casual afternoons outdoors to small group gatherings.

One of a kind pump track at DaVinci Park

The City continues to invest in maintaining and enhancing these spaces to ensure they remain clean, accessible, and enjoyable for everyone. As Evans grows, the parks system remains a key part of the community's commitment to livability and overall well-being.

Spring and summer are ideal times to explore everything the parks system has to offer. Residents are encouraged to visit a new park, try out different amenities, and make the most of the longer days and warmer temps. Scan the QR code to view the full list of parks and amenities.

# NEIGHBORHOOD WATCH

Neighborhood Watch is a program where community members, in cooperation with the Evans Police Department, participate in the detection and deterrence of crime in their neighborhoods.

The Neighborhood Watch Program facilitates communication between you and your neighbors. Additionally, it develops a partnership between our city police force and the citizens to help enhance the safety and security of our neighborhoods.

**As citizens of the Evans community, we share the common goal of enhancing the quality of life within all of our neighborhoods.**

Keeping you and your family safe is a top priority of the Evans Police Department. Achieving this goal is a shared effort, and your awareness, involvement, and cooperation play a critical role in helping keep our neighborhoods safe.

## Find out more today!

# DRUG TAKE BACK

## About Drug Take Back Day

Drug Take Back Day plays an important role in protecting public health and community safety. Safely disposing of unused and expired medications helps prevent accidental poisoning, reduces the risk of misuse or abuse, and keeps harmful substances out of our homes and waterways. By taking the time to properly dispose of medications you no longer need, you are helping to protect children, pets, and vulnerable individuals while contributing to a safer, healthier community for everyone.

# Summer Lawn Watering Tips

LAWN WATERING MINUTES PER ZONE				
MONTH	FIXED SPRAY HEAD	MANUAL SPRINKLER	ROTOR HEAD	HIGH EFFICIENCY
JANUARY-APRIL	WATER TREES AND SHRUBS AS NEEDED			
MAY	17	23	29	35
JUNE	22	31	40	48
JULY	23	32	41	50
AUGUST	19	25	32	39
SEPTEMBER	16	22	28	33
OCTOBER-DECEMBER	WATER TREES AND SHRUBS AS NEEDED			

Source: <https://www.denverwater.org/residential/efficiency-tip/watering-your-lawn>

The numbers above are based on watering 3 times per week. With all sprinkler types cycle and soak can help increase efficiency and reduce runoff. Run 2-3 cycles 45-60 minutes apart. The total run time for the day should equal the number recommended in the table above.

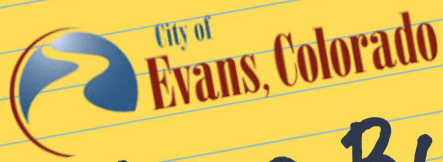

\*Please note that these are recommended run times for our region, if your lawn is suffering at these recommended run times please adjust time and cycles accordingly. Alternatively, if you water less than this and your lawn is healthy, do not water more than needed.

## The City of Evans has Outdoor Watering Policies effective between April 15 and October 15.

Outdoor watering is allowed on scheduled days except between the hours of noon and 5pm.

- Single-family homes with even-numbered addresses shall only water lawns on Sunday, Tuesday, and Thursday of each week.
  - Single-family homes with odd-numbered addresses shall only water lawns on Monday, Wednesday, and Saturday of each week.
  - Multi-family residents or apartments shall only water lawns on Sunday, Tuesday, and Friday of each week.
- Watering mid-day leads to loss of water through evaporation from the sun.

Contact Evans Water Conservation for questions or more information: [jschoenbacher@evanscolorado.gov](mailto:jschoenbacher@evanscolorado.gov)  
(970)-475-1186

# Building Bulletin

Finding a contractor can be overwhelming and The City of Evans wants to help with some tips on choosing the right person or company for your project:

- Get quotes from several companies/people. The City recommends a minimum of three different quotes.
- You may also consider asking for references from other projects that the contractor/company has completed.
- Ensure that the contractor/company has a City of Evans business license and proof of insurance.
- If a building permit is required for the project, ask to see a copy of the permit prior to the start of any work. Once work commences, ensure proper inspections are being done.
- Avoid making full payment for work before the work is completed and passed final inspections. While a down payment might be requested, a full payment prior to work being done could be a red flag.

QUESTIONS? Contact us at 970-475-1110  
[building@evanscolorado.gov](mailto:building@evanscolorado.gov) | [www.evanscolorado.gov](http://www.evanscolorado.gov)

## RECYCLING IS REAL

### Bottle = Shirt

The plastic water bottles you recycle can be made into thread for fabric used to make clothing, backpacks, sneakers and more.

### Paper = Paperboard

The clean paper you recycle is pulped and made into paperboard packaging for cereal, crackers and other household goods.

### Jug = Carpet

The thick multi-gallon plastic water jugs you recycle can be made into carpet for homes and businesses.

### Can = Can

The aluminum beverage cans you recycle today will be back on the shelf as a new can in about 60 days.

# RECYCLE RIGHT

Only place the following in your recycle cart

- Clean cardboard
- Paper
- Metal cans
- Glass bottles and jars
- Plastic containers shaped like bottles, jars, jugs and tubs.

Do **NOT** put any of these items in your recycle cart

- Food or liquids
- Plastic bags
- Batteries, electronics
- Clothing or carpet
- Paper towels, cups, napkins or plates
- Concrete or wood
- Styrofoam, scrap metal
- Yard waste

## EL RECICLAJE ES REAL

### Botella = Camisa

Las botellas de agua de plástico que reciclas se pueden convertir en hilo para telas que se usan para hacer ropa, mochilas, zapatillas y más.

### Papel = Cartón

El papel limpio que recicla se convierte en pulpa y se transforma en envases de cartón para cereales, galletas y otros productos para el hogar.

### Jarra = Alfombra

Las gruesas jarras de agua de plástico de varios galones que reciclas se pueden convertir en alfombras para hogares y negocios.

### Puede = Puede

Las latas de aluminio para bebidas que reciclas hoy volverán a estar disponibles en los estantes como latas nuevas en aproximadamente 60 días.

## RECYCLE RIGHT

Coloque únicamente lo siguiente en su contenedor de reciclaje

- Cartón limpio
- Papel
- Latas de metal
- Botellas y frascos de vidrio
- Recipientes de plástico con forma de botellas, frascos, jarras y tinas

**NO** coloque ninguno de estos artículos en su carrito de reciclaje.

- Alimentos o líquidos
- Bolsas de plástico
- Baterías, electrónica
- Ropa o alfombra
- Toallas de papel, vasos, servilletas o platos
- Hormigón o madera
- Poliestireno expandido, chatarra
- Residuos de jardín

# From our Friends at WM

**WM** February Recycling Benefits  
City of Evans

In February, we recycled 14 tons of bottles, cans, paper and cardboard.

This month's recycling efforts saved the following resources:

**177 Mature Trees**  
Enough avoided timber resource use to produce 3,005,800 sheets of printing and copy paper!

**33 Cubic Yards of Landfill Airspace**  
Enough avoided airspace to fulfill the annual municipal waste disposal needs for 41 people!

**28,128 Kw-Hrs of Electricity**  
Enough avoided power use to fulfill the annual electricity needs of 2 homes!

**Avoided 31 Metric Tons (MTCO2E) of GHG Emissions**  
This GHG reduction is equivalent to removing annual emissions from 6 passenger vehicles!

**60,369 Gallons of Water**  
Enough avoided water use to meet the daily fresh water needs of 804 people!

RECYCLING TIP

## No Plastic Clamshell Containers in Recycling

Thin clear plastic containers that open like a clamshell are not accepted in recycling.

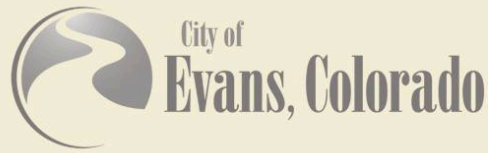

Source: WM

## LET IT GROW

Source: WM

March 20 is the first day of spring. Planting flowers and watering them so they grow is a sustainably green endeavor. Using clay or fiber pots rather than plastic planters are more sustainable options. What kind of pots will you use for your flowers?

Club de Legos Abril 8

Crafternoon Abril 15

Club de juegos de mesa Abril 22

# Outdoor Street Lighting

## How to report a Street Light Outage

### What you will need to report a street light outage

The Pole number where the light is located—the pole number will be on the street side of the pole and will either have two numbers over two, or three over three.

For Example

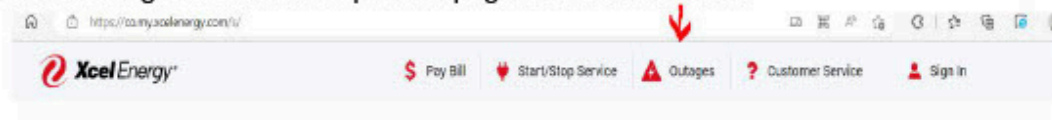

Xcel Energy relies on the information you provide so please be as specific as possible. If the pole does not have a number, then please provide the address behind the pole, or a description of where the pole is located.

For example: The light is located on the Southwest corner of E. 16th Ave and Pennsylvania.

### Where to report a Street light Outage?

Go to <https://co.my.xcelenergy.com/s/>

**FIRST:** Select the Outages icon at the top of the page as indicated below

**NEXT:** Scroll to the bottom of the page and look for **Outdoor lighting Outages** and click on **REPORT AN OUTDOOR OUTAGE** as seen below

**Next:** Click on **Report it now** →

**Finally:** Enter your information.

1. Your name
2. Your email address: This is used to inform you when the light is repaired.
3. Contact phone number: This will be used to contact you should we have any questions regarding your repair request.

**Pole information:** \*\*\*\*If an outdoor lighting pole is broken, please call Xcel Energy Customer Care at 1-800-895-4999.

1. Select the problem with the light
2. Pole number: This is where you would enter the two over two or three over three numbers on the pole.
3. Light location: This is the Address where the light is located. Please provide as much specific information as you can.
4. Comments: Provide any additional information that you believe would be helpful

**Lastly:** You may Add more outages if there are more than one or hit the submit button.

Once you submit the request you will be provided a confirmation number. Keep this number to refer back to if needed.

\*\*\*Please note: Repairs are made in 5 business days unless there is more than routine maintenance is required.

**Need assistance?**

**Call 1-800-895-4999**

**For 24-hour Customer Service**
